

Rock Spring Elementary

*DATA-Identifying Learning Levels-

-Our first Data Night was held. Parents were given their child's current assessments (DRA, MAPS, Dibels, Math, Sight words, GKIDS, etc). Teachers reviewed learning targets for our December projection. Next Data Night will be held in January.

-MAP data has been analyzed. Grade levels physically mapped out the levels of the students in categories of: Below Grade Level, On Grade Level and Above Grade Level. (pictures)

-Teachers are conducting small group instruction in the area of reading and math. Writing conferences are being with students on their writing pieces. Groups will focus on student needs therefore tailoring instruction beyond standards to fill in any gaps.

-Reading comprehension, math computation and basic writing skills are included in our School Improvement Plan.

Rock Spring Elementary Student Resources-

This link will take you to our school website. Please scroll down to the RSE Learning Resources. Students have their login information.

*Communication-

*Dojo-Please make sure you have signed up for Dojo. Important school and class information is sent through Dojo.

*Powerschool Parent Informational Video click on this to find out how to make a Powerschool Parent account. For grades 1st through 5th, you as a parent have the ability to check their grades. You can even set up grades to be emailed to you weekly.

*Next Steps-

- ★ RSE will continue to monitor data to monitor student progress. We are ready to help each child be successful and support our parents.
- ★ Make sure your child is doing their homework and using the web resources provided by our school
