

## Community Council Minutes: 11/10/2021

### A. Meeting called to order at 4:05

1. Data was reviewed to make 3 academic goals. We can build 1 goal from the survey given last year to students: *Example- 100% of the students will know who they can go to in the school for help.*

2. There will be an SEL goal and the literacy goal will be the same from last year.

3. SOS is a good thing to celebrate.

4. Math is getting better with culture. Kids are reporting to parents that they are starting to love math.

### **B. Female interest in STEM is lacking. How do we get female interest in STEM programs?**

1. Take a team of females to recruit in the elementaries

2. STEM night with Constant and Littlefield

3. Numbers in CTE are growing

### **C. How do we spark interests in learning?**

1. Can we offer incentives and externals to help motivate them? Trustlands allows \$2/student.

2. Offer a reward economy? PTA can help. It is a reward system for academic achievements.

### **D. Underrepresented students are not applying for AP and Honors courses.**

1. This is an SOS conversation

2. There is a scholarship fund to pay for the test.

### E. Other business

1. Bond- There will be a JH added between SJH and WPJH. The addition a new high school to the bond was discussed.

2. Fine arts money is earmarked from another fund, not Trustlands.

3.No meeting in December: Next meeting is in January to finalize goals and bond update.
