Subject: FOIA for BCSD salary information

Jan. 22, 2017

Jennifer Staton
Beaufort County School District
2900 Mink Point Boulevard
Beaufort, South Carolina 29902

Pursuant to South Carolina's Freedom of Information Act, I am requesting a list of Beaufort County School District employees by name, position, base pay (or, if below \$50,000, base salary range), race, gender, and assigned school or district office as of present date. If the request is denied, please cite the exemption you are using to make such a determination.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes, so I ask you to waive any and all fees.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request be filled electronically, by e-mail attachment if available or jump drive if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 business days, as the statute requires.

Thanks,
Kelly
