

## Community Council Meeting

10/26/2021

Attendance: Robby Kinghorn, Mike Yardley, Zane Bates, Sarah Burke, Michelle Wunderlich, Maude Beckman

### What's working well

- Playground finally open!
- Exit/parking lot
- Kids mentally prepared/informed about what's happening
- Lunch seating and lunch line
- STEM and art combination
- Ms. Pam doing triage in entryway every morning
- Student to Student Program
  - Ms. Pam in charge of gathering info on new students
  - Hope Squad and Student Council are the student ambassadors
- Zoom parent teacher conferences

### School Improvement Plan

- About 200 students came back or moved in
  - Interventions through tutors
  - ESSR funds are also helping but we are still spending the same amounts.
- Attendance:
  - Still hard to implement
  - Prizes and competition starting back up
  - Pam and Lisa are doing follow up. Youth services are helping when it's a student issue.
- SEL
  - Morning meeting - guided PowerPoint questions common to K-2 and 3-6
  - Teaching kids to get along
- Blended Learning (ELA, Math, Science)
  - Playlists started implementation last January Now working and implementing across the board.
  - Mr King Horn will put example on the website after adding watermark. Will also address it in his future video.

### GEMBA Walk and Learn

- Teachers visit other grade levels and get reflections to take back to their own classrooms

### Individual Connections

- Teacher and admin to student

### Future meeting dates

Nov 30, Jan 25, Feb 22, March 29, April 26
