**Subject:** FOIA #21: (amended) 360 survey responses

Mar. 6, 2018

Jennifer Staton  
Beaufort County School District  
2900 Mink Point Boulevard  
Beaufort, South Carolina 29902

Ms. Staton:

At the Beaufort County Board of Education meeting on Tuesday, March 6, 2018, under the agenda item of "Update 360," Superintendent Jeff Moss said, "Although the ratings were very good, it did cause me to reflect and look at some of the internal practices and my practices as to what I'm doing to support the 2,800 employees, especially from some of their comments." (See 2:17:05 on County Channel)

Pursuant to South Carolina's Freedom of Information Act, I am making a public records request for a copy of the ratings and comments from the 360 survey.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes, so I ask you to waive any and all fees. In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request be filled electronically, by e-mail attachment if available or jump drive if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 10 business days, as the statute requires.
