Public Records Requested (Description of Documents or Information Requested): Please consider this a request under the South Carolina Freedom of Information Act. This request includes the following records:
Any electronic records, such as an Excel

spreadsheet, that denotes details of all settlements made by the Beaufort County School District from June 15, 2013-June 13, 2018. This request is for details of all court settlements. For example, if the school district reached a \$1,000,000 settlement with John Doe on February 2, 2017, I'm seeking records that would provide all available details for each settlement case.

My impression is that your agency would have typed up basic details of each settlement into a centralized spreadsheet. If your agency has something close to, but not exactly what I am seeking, please feel free to let me know. I am not asking your agency to create a new record, but rather provide me all the non-exempt fields of any such electronic record you keep that would be responsive to this request.

As a member of the news media seeking this information in the public interest, I respectfully request fees be waived, per statute. If charges are necessary for this request, please provide me with a detailed breakdown of the anticipated charges before fulfilling the request.

Thank you,
Maggie Angst
