Ms. Angst:

This is a newer bus and as of yet there are no cameras installed. Therefore, there are no public documents responsive to your request. However, even if a video did exist it would be excluded from release under FOIA per The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99).

Public Records Requested (Description of Documents or Information Requested): Please consider this a request under the South Carolina Freedom of Information Act. This request includes the following records:

A copy of the video from the school bus in which a report was filed with the Beaufort County Sheriff's Department that said a bus driver grabbed a student by the neck and wrist to separate the fight on Thursday, June 14, 2018.

Over the weekend, Jim Foster told The Island Packet that the school district is investigating the incident. So, it is my impression that you have video footage from the school bus and can provide me with a copy of the video that captured the incident.

As a member of the news media seeking this information in the public interest, I respectfully request fees be waived, per statute. If charges are necessary for this request, please provide me with a detailed breakdown of the anticipated charges before fulfilling the request.

Thank you,
Maggie Angst
