Ms. Bisi-

Thank you for your recent request under the South Carolina Freedom of Information Act. To locate, copy and provide the documentation you seek will require approximately 2.5 hours of time on the part of a staffer in the district's Procurement Office. The specific staffer who would do the work is paid \$22.91 per hour. We also estimate approximately 90 documents. The estimate is \$62.68. This is an estimate, and the final charge could be higher or lower. A deposit of 25% is required before work will begin on your request. Please send all checks made out to the Beaufort County School District to my attention.
