The estimate is more than a thousand pages to and from Nurick from the listed individuals, including the attachments. The initial quote for redacting the documents is \$225.24. Let me know how you'd like to proceed.

To clarify: Is there thousands of pages of correspondence between Nurick and one/or several of the individuals or thousands of pages of correspondence between any combination of those people? I'm only looking for correspondence to and from Nurick.

If there's still thousands of pages of correspondence to and from Nurick in the past seven(ish) months, I'd still like a quote. Thanks.

Kelly-

We have asked Technology to pull the requested e-mails (email correspondence from January 1, 2017 to present between Brian Nurick, of Compass Municipal Advisors, and any or all of the following individuals: Dr. Jeffrey Moss, Tonya Crosby, Dr. Patricia Felton-Montgomery and Earl Campbell) and after an initial cursory review, there are well over a thousand pages that will need to be reviewed for redaction. If you would like me to send you a quote for that work, please let me know.
