Kelly-

On August 14, 2017, you requested an “itemized receipt for a district purchase to Southern Barrel Brewing Company made on a district P-card on May 26, 2017.” The BCSD is not in possession of an “itemized receipt”, as one was not provided by the vendor. However, to allay any potential concern that inappropriate items were purchased using the district P-card in this matter, attached are a May 24, 2017, e-mail from Caroline Woloszyk listing the items to be purchased for a school Team Building Event, the P-card purchase receipt from Southern Barrel, and Professional Development sign in sheet from the Team Building Event on May 26, 2017.
