Mr. Bequette:

The BCSD received your request for public records pursuant to the South Carolina FOIA. The requested RFP and addendum are posted on the BCSD website, which you may access [here](#). Those are the only documents that currently exist, as contractual activities have not begun because the solicitation has not closed. As such, the District does not possess any documents responsive to the second part of your request.

Subject: FREEDOM OF INFORMATION REQUEST

I am submitting a request under the freedom of information act for the following information concerning the P Card audit:

1. The RFP and any other data or information send to prospective bidders on a proposed contract with the District. The name of the person(s) who approved these documents.
2. A copy of any contract issued for performing this audit. Who or what body approved this contract for the school district.

Thank you,

Jim Bequette
