Mrs. Staton

Thank you for your very timely response! I greatly appreciate that. Unfortunately this has not gotten me the information I was looking for. Are there possibly any more written contracts between the School District and Sodexo. Also, do you have a copy of the RFP that the District put out to bid?

Full disclosure, I am trying to find any record of a "non compete" form, or clause within any contract, that the school district might have agreed to that prevents the school from conducting a fundraiser at, say recess time.

I have been informed over the past couple months that Sodexo has the ability to tell schools that they can not have a fundraiser, selling "snack items", ANYWHERE on the school grounds, during hours that Sodexo is serving lunch up to 30 minutes after. I find it hard to believe a company can control how the school raises funds, even when some of the funds raised will go back to Sodexo for paying of school lunch debt.

Where can I find written record of the this, if it even exists?

Once again, thank you so much for you help. I look forward to hearing from you!

Erich Lindemann

Additionally, if renewals will be permitted, the contract must also state the date by which the renewal must be executed by both the SFA and FSMC. Although four (4) additional one-year renewals are permitted, contracts cannot contain automatic renewal provisions. The renewal date must occur on or prior to the expiration date of the current contract. Any provisions, including adjustments to payments that will be used for renewing contracts, must be stated in the RFP and the contract, as applicable. These alterations cannot result in substantive changes to the original contract. If the school district (SFA) determines that significant changes are necessary, the SFA must re-bid the contract. The following changes would normally not substantially change the contract:

Number of Schools—new schools added;

Changes in Enrollment—decreases and increases in student enrollment and the corresponding change expected in participation;

Changes in Price—meal price changes (determined by the SFA);

Cost Increases—cost increases limited to a measurable index (such as the Consumer Price Index for All Urban Consumers); and

FSMC's Responsibility—requires each FSMC to fully acquaint himself with conditions relating to the scope and restrictions attending the execution of this request for proposal (contractual bid). The failure or omission of a FSMC to acquaint himself with existing conditions shall in no way relieve him of any obligation with respect for proposal or contract.

Firm, Fixed-Price Contract—under this type of contract, the FSMC is required to perform the work described in the contract. The price is not subject to any adjustment on the basis of the FSMC's cost experience in performing the contract. Gross Receipts—the total of all cash receipts, reimbursements received by the SFA, and other revenue under the SFA's nonprofit food service program.

Indirect Cost—a cost of a general nature which is not readily identifiable with the activities of the grant and incurred for a common or joint purpose benefiting more than one activity or cost objective.

Indirect Cost Rate—a device for determining, in a reasonable manner, the proportion of indirect costs the child nutrition program should bear. It is the ratio (expressed as a percentage) of the indirect costs to a direct cost base. Rates are published annually by July 1.

In-Kind Meals—meals provided to adults who are directly involved in meal preparation and service. Teachers, aides, maintenance workers, secretaries, principals, and/or visitors, etc., should not eat free of charge unless the district accounts for and reimburses the school food service account for such adult meals. Students who assist in the cafeteria should not be considered "in-kind" nor reported as adult in-kind meals.

Meal Equivalents—defined as the common denominator for calculation of the management fee and the per meal guarantee. The meal equivalent formula shall be determined by dividing the total of cash receipts, other than from sales of National School Lunch and Breakfast Program meals of Cash Equivalents, by the Equivalency Factor. For the purpose of computing the foregoing meal counts, the number of National School Lunch Program meals and Seamless Summer Food Service Program lunches served to children and adults shall be determined by actual count. The number of breakfast meals served to children under the School Breakfast Programs, including the Seamless Summer Food Service Program, shall be three children or adult breakfast per two lunches or conversion factor of .66 is equal to 1 meal equivalent, and the number of after-school snacks served to children through the National School Lunch Program shall be divided by three. À la carte meal equivalents shall be computed by dividing à la carte revenues sold only by the school food service program by the current free lunch reimbursement plus current USDA foods value per meal. À la carte revenue shall include à la carte sales to students and adults purchased only in the school food service program. The meal equivalent formula shall be calculated as follows:

1. One student or 1 paid adult lunch = 1 meal equivalent
2. Three student or 3 paid adult breakfast per two lunches or conversion factor of .66 = 1 meal equivalent
3. Three student or 3 paid adult snacks = 1 meal equivalent

4. À la carte revenues divided by current lunch reimbursement plus most current USDA foods value per meal = 1 meal equivalent (Subject to change each contract period)

Non-expendable Equipment—defined as any item with a per-unit purchase of \$4,999.99 or more. All non-expendable equipment will be purchased by the SFA.

Offeror—a vendor who responds to a solicitation; for this purpose, the offeror is the FSMC responding to the RFP.

OMB Circular A-102, Attachment O—the official federal regulations governing the procurement activities of state and local grantees of federal funds. Includes local food service operators receiving federal funds issued by the USDA, Food and Nutrition Service. This guidance has been replaced by 7 CFR396 (For Public Sponsors) and 7 CFR 3019 (for Private Sponsors).

On-site—defined as the physical location of the food preparation facilities of the school district as presented in RFP.

Pre-proposal Conference—helps ensure that each bidder understands the terms of the bid.

Product Identification (ID)—the product identifications or descriptions are not specifications. ^a In the SBP, the above age-grade groups are required beginning July 1, 2013 (SY 2013-14). In SY 2012-2013 only, schools may continue to use the meal pattern for grades K-12 (see § 220.23).

^b Food items included in each food group and subgroup and amount equivalents. Minimum creditable serving is 1/8 cup.

^c One quarter-cup of dried fruit counts as 1/2 cup of fruit; 1 cup of leafy greens counts as 1/2 cup of vegetables. No more than half of the fruit or vegetable offerings may be in the form of juice. All juice must be 100% full-strength.

^d For breakfast, vegetables may be substituted for fruits, but the first two cups per week of any such substitution must be from the dark green, red/orange, beans and peas (legumes) or "Other vegetables" subgroups as defined in §210.10(c)(2)(iii).

^e The fruit quantity requirement for the SBP (5 cups/week and a minimum of 1 cup/day) is effective July 1, 2014 (SY 2014-2015).

^f Larger amounts of these vegetables may be served.

^g This category consists of "Other vegetables" as defined in §210.10(c)(2)(iii){E}. For the purposes of the NSLP, "Other vegetables" requirement may be met with any additional amounts from the dark green, red/orange, and beans/peas (legumes) vegetable subgroups as defined in §210.10(c)(2)(iii).

^h Any vegetable subgroup may be offered to meet the total weekly vegetable requirement.

ⁱ At least half of the grains offered must be whole grain-rich in the NSLP beginning July 1, 2012 (SY 2012-2013), and in the SBP beginning July 1, 2013 (SY 2013-2014). All grains must be whole grain-rich in both the NSLP and the SBP beginning July 1, 2014 (SY 2014-15).

^j In the SBP, the grain ranges must be offered beginning July 1, 2013 (SY 2013-2014).

^k There is no separate meat/meat alternate component in the SBP. Beginning July 1, 2013 (SY 2013-2014), schools may substitute 1 oz. eq. of meat/meat alternate for 1 oz. eq. of grains after the minimum daily grains requirement is met.

^l Fluid milk must be low-fat (1 percent milk fat or less, unflavored) or fat-free (unflavored or flavored).

^m The average daily amount of calories for a 5-day school week must be within the range (at least the minimum and no more than the maximum values).

ⁿ Discretionary sources of calories (solid fats and added sugars) may be added to the meal pattern if within the specifications for calories, saturated fat, trans fat and sodium. Foods of minimal nutritional value and fluid milk with fat content greater than 1 percent milk fat are not allowed.

^o In the SBP, calories and trans fat specifications take effect beginning July 1, 2013 (SY 2013-2014).

^p Final sodium specifications are to be reached by SY 2022-2023 or July 1, 2022. Intermediate sodium specifications are established for SY 2014-2015 and 2017-2018. See required intermediate specifications in § 210.10(f)(3) for lunches and § 220.8(f)(3) for breakfast.

PROGRAM IDENTIFICATION

Beaufort County School District

Plans to participate in the following programs during the 2015–16 school year in one or more schools: (please check all that apply)

- ✓ National School Lunch Program
- ✓ School Breakfast Program
- ✓ Afterschool Snack Program
- ✓ USDA Foods Program
- ✓ Seamless Summer Option Program (Possibly)
- ✓ Fresh Fruit and Vegetable Program
- ✓ Farm To School Program
- ✓ Dinner Program
- ✓ Community Eligibility Program

Fresh Fruit and Vegetable Program (FFVP) Requirements

Costs that are charged to the FFVP grant are broken into two categories: administrative and operational.

Operational costs are the primary costs of running the FFVP, including such costs as follows:

- purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges;
- non-food items or supplies that are used in serving and cleaning; and
- salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables, and in maintaining a sanitary environment.

Administrative costs, which currently cannot exceed 10 percent of the overall grant, are used principally to support planning and managing the program. It is important to note that most of a school's FFVP funds must be spent on purchasing fresh fruits and vegetables.

All FFVP costs must be allowable, actual costs, and fully documented. Labor costs must be reported by and to the SFA in a manner that clearly identifies the actual time allocated to the FFVP. All labor costs, either operating or administrative, must be minimal. The SFA shall verify that the FSMC operates the FFVP in compliance with all USDA FNS standards.

- The FSMC will document and track FFVP expenses separately and make this documentation easily accessible to the SFA, SA, or USDA for review. All non-food costs must be carefully reviewed and deemed reasonable, given the extent of the FFVP operations.
- The FSMC will provide the SFA with documentation that clearly outlines the allocation of costs charged to the FFVP as a basis for the SFAs claim for reimbursement (e.g., amounts charged for labor, administrative fees, and actual costs of fresh fruits and vegetables). This is a contract requirement even if a fixed fee for FFVP is agreed upon.
- The FSMC will use the SC Fresh Fruit and Vegetable Program Monthly Log for Operational and Administrative Costs Claimed for Labor form (included in the *SC Fresh Fruit and Vegetable Program Handbook for Schools*) to document operational and administrative labor costs or a similar form that captures the same information. This documentation must be readily available for SFA, SA, or USDA review.
- A FFVP cycle menu based on USDA FNS guidance should be submitted with this RFP to the SFA and used in scoring the FSMC.
- Identify all SFA and FSMC roles and responsibilities in the FFVP.

FOOD SERVICE MANAGEMENT COMPANY

REQUEST FOR PROPOSAL/CONTRACT

SECTION FIVE

STANDARD TERMS AND CONDITIONS

STANDARD TERMS AND CONDITIONS

A. Scope and Purpose

1. The duration of the contract shall be for a period of up to one year, beginning on July 1, 2015, and ending on June 30, 2016, with a maximum of four (4) one-year renewals contingent upon mutual agreement between the SFA and FSMC.
2. The FSMC shall manage the SFA's food service program for the benefit of the school district's students, faculty, staff, and guests. The FSMC shall provide food service in accord with all federal regulations found in 7 CFR Parts 210, 220, 245, 250, 3016 & 3019 guidance, instructions, and policy memorandum issued by the United States Department of Agriculture, Food and Nutrition Service; United States Office of Management and Budget Circulars for Federal Grants; and policies of the South Carolina Department of Education, Office of Health and Nutrition Programs. The SFA, SA, and USDA shall have unlimited access, with or without notice to the FSMC, to all premises used by the FSMC.
3. The FSMC shall provide breakfast, lunch, and after-school snacks as specified in Appendix A for approximately 180 serving days. The FSMC may also be asked to provide lunch, breakfast and/or snacks if the SFA participates in the Seamless Summer Option Program.
4. The SFA may add or remove sites and/or meal periods for existing programs from Appendix A at any time during the period of the contract unless the addition or removal of sites and/or meal periods creates a material or substantive contract change.
5. The SFA reserves the right to maintain present food and beverage vending machines in its facilities.
6. The SFA shall be legally responsible for the SFA's nonprofit food service program and shall supervise the food service operations in such manner as will ensure compliance with the rules and regulations described in Item A (2). The SFA shall conduct regular performance, accountability, and other reviews as required by state and federal regulations and guidelines as well as periodic on-site visits to include inspection of meals, food preparation, storage and service areas, and sanitation and safety practices. Such reviews shall be documented by the SFA and maintained on file for inspection by the SA.
7. The FSMC, as an independent contractor, shall have exclusive right to provide food services for the schools designated by the SFA in this RFP (Appendix A) for the following programs: National School Lunch Program, School Breakfast Program, After School Snack Program, Seamless Summer Option Programs, and Fresh Fruit and Vegetable Program, if applicable.
8. The FSMC shall be an independent contractor and not an employee of the SFA. Employees of the FSMC are not employees of the SFA.
9. All income accruing as a result of payments by children and adults, federal and state reimbursements, and all other income from sources such as donations, special functions, à la carte sales, contract meals, proceeds from the sale of food service equipment, interest payments, and other sources related to the food service program shall be deposited in the

SFA's nonprofit food service account. Any profit or guaranteed return shall remain in the SFA's nonprofit food service account. The SFA and the FSMC agree that this contract is neither a *cost-plus-a-percentage-of-income* nor a *cost-plus-a-percentage-of-cost* contract as required under the USDA Regulations 7 CFR 210.16 (c) and 7 CFR 3016.

10. The SFA shall retain control of the SFA's nonprofit food service account and shall assume overall financial responsibility for the program.
11. Authorized representatives of the SFA, the SA, and USDA shall have the right to conduct unannounced, on-site administrative reviews of the food service operation, including the inspection of all records and supporting documentation associated with the food service program.

B. Signature and Approval Authority

1. The SFA shall retain signature authority for the application/agreement, free and reduced-price policy statement, and monthly claim for reimbursement.
2. The preparation of the annual application for federal/state funds and the agreement with the South Carolina Department of Education, Office of Nutrition Programs for operation of the National School Lunch, Breakfast, After School Snack Programs, Seamless Summer Option Program, and Fresh Fruit Vegetable Program shall be the responsibility of the SFA. The application and agreement for federal/state funds, as approved by the South Carolina Department of Education's Office of Health and Nutrition Programs, shall become part of the contract.
3. The preparation of the application to receive USDA Foods shall be the responsibility of the SFA. The agreement signed between the South Carolina Department of Education's Office of Nutrition Programs and the SFA to receive USDA foods shall become part of the contract.

C. Free and Reduced-Price Meal Policy

1. The preparation of the annual Free/Reduced-Price Meal Policy shall be the responsibility of the SFA and is not open for amendment by the FSMC. The SFA shall ensure that the nonprofit food service is in conformance with the school district's approved Free and Reduced-Price Policy. The SFA Free and Reduced-Price Meal Policy shall be made part of this contract.
2. Approval of Free/Reduced-Price Meal Applications shall be the responsibility of the SFA. The SFA shall be responsible for the establishment and maintenance of the free and reduced-price meals eligibility roster. The SFA shall be responsible for verifying applications for free and reduced-price meals as required by USDA. The SFA shall be responsible for appointing a qualified hearings officer to conduct any hearings related to determinations regarding eligibility for free or reduced-price meals.
3. The FSMC shall implement an accurate point of service count using the counting system submitted by the SFA in its agreement to participate in the NSLP. Such a counting system must eliminate the potential for the overt identification of free and reduced-price eligible students.

4. The SFA shall monitor the food service program of the FSMC through periodic on-site visits to ensure that the program is in conformance with all federal, state, and local regulations, laws, and procedures. In addition, the SFA will conduct an on-site review of the counting and claiming system no later than February 1 of each year as required by 7 CFR 210.8.

D. USDA Foods

1. Any USDA foods received by the SFA and made available to the FSMC shall be utilized solely for the purpose of providing benefits for the SFA's nonprofit food service program. USDA foods are considered "received" when the foods arrive at the school kitchen in either raw form or in processed end products. The title to USDA foods must remain with the SFA. The SFA shall assure the maximum amount of USDA foods are received and utilized by the FSMC. The FSMC shall use USDA foods in the preparation of meals and other food served to the students. The FSMC may maintain separate storage, inventory, and control of such USDA foods to ensure that its use is in conformance with the SFA's agreement with the SA.
2. The FSMC manages the donated foods to ensure they are used in the SFA food service program. Funds are expended to purchase food to be used in the food service program, or those commercial substitutes of the same generic identity, of U.S. origin, and of equal or better quality are used in their place (with the exception that donated ground beef, ground pork, and all processed end products must be used without substitution). When commercial substitutes are used in place of donated foods, the FSMC may then use the donated foods without restriction.
3. The FSMC must credit the SFA for the value of all donated foods funds received for use in the school food service program in the school year, whether the donated foods are used in that year or not as required in 250.51(a). The value of the USDA foods is based on the value of the product at the point the SFA receives the USDA foods at each site and on USDA prices pertinent to that time period.
4. The liability for the proper use of the USDA foods will be the responsibility of the FSMC. The FSMC must meet the requirements that ensure safe storage of donated foods in 250.14(b); and, in accordance with 210.13(a), the SFA must ensure that food storage, preparation, and service comply with the sanitation and health standards established under state laws and regulations. However, the FSMC, conducting the food service on behalf of the SFA, may commingle donated foods with other foods purchased for the school food service, in a single inventory management system in accordance with 250.52(b) and 250.59 (c). Since it is difficult to distinguish donated foods from other foods in this type of arrangement, the SFA must ensure the FSMC has credited it for the value of all donated foods received for use in the SFA's food service in a school year, irrespective of the actual use of the foods (250.51(a)).

The FSMC shall maintain accurate and complete records with respect to the receipt, use/disposition, storage and inventory of USDA foods or the purchases procured with funds from the CLOC amount allocated quarterly. Failure by the FSMC to maintain records under the contract shall be considered factual evidence of improper distribution or loss of USDA foods. The SFA is responsible for obtaining restitution from the FSMC in connection with any claim for improper distribution, use or loss of, or damage to USDA foods as stipulated in 7 CFR 210.16.

5. The SFA shall be responsible for USDA food processing contracts. The FSMC is prohibited from entering into any processing contracts utilizing USDA foods on behalf of the SFA. All goods, services, and/or funds received as the result of a rebate under a processing contract must accrue to the SFA's nonprofit food service account.
6. The FSMC is not required to credit the SFA for the value of donated foods in end products that the SFA procures from the processor and provides to the FSMC for use in the school food service. The processor must credit the SFA for the donated food value in end products procured by the SFA, in accordance with processing requirements in Subpart C of Part 250. The SFA must ensure that the FSMC uses such end products in the school food service in accordance with 250.51 (d).
7. The FSMC shall give the SFA, USDA, and appropriate SA representatives' access to the USDA foods storage areas for inspection as required by law. The FSMC shall have records available to substantiate that the full value of all USDA foods is used solely for the benefit of the SFA.
8. The SFA may not refund any credit to the FSMC for the value of any donated foods that remain unused when a contract terminates and is not extended or renewed with, one exception whereby the FSMC must credit the SFA for the value of donated foods carried over from a previous contract if the value of such foods has not already accrued to the school food service (i.e., if the value was not credited to the SFA by the previous FSMC). The "successor" FSMC must ensure use of such donated foods in the SFA food service but will not have to credit the SFA for the value of such donated foods, as that value would have already accrued to the school food service.

The value used to credit the SFA for such donated foods must be the value determined in accordance with 250.51 (c.). However, the FSMC is not required to credit the SFA for the value of such donated foods that are determined to be out-of-condition, and the SFA must ensure that such out-of-condition foods are not used in the school food service.

9. When the contract terminates, and is not extended or renewed, the FSMC must return unused donated ground beef, ground pork, and processed end products and must return other unused donated foods to SFA at the discretion of the SFA.

E. Food Service Operations

1. The FSMC, as agent for the SFA, shall serve, on such days and at such times as requested by the SFA
 - (a) Meals, priced as a unit, which meet the meal component requirements prescribed by USDA. The SFA and FSMC will actively promote maximum participation in the National School Lunch and Breakfast Programs.
 - (b) Such other food as may be agreed upon by FSMC and SFA. In order to offer à la carte food service, all eligible children must be offered free, reduced-price, and full-price reimbursable meals. À la carte offerings will comply with applicable federal and state regulations.
2. For the first 21 days of meal service, FSMC shall adhere to the 21-day cycle menu provided in the RFP (Appendix E) and developed in accordance with the provisions of 210.10 or 210.10 (a). Thereafter, changes in the menu may be made with the approval of the SFA.

3. The FSMC shall make recommendations to the SFA regarding the food service program and the prices to be charged for meals and other food; however, the SFA will retain control over the quality, extent, and general nature of its food service and shall have the right and responsibility to make the final decisions regarding such matters.
4. The FSMC shall cooperate with the SFA in promoting nutrition education in the school cafeteria and in the SFA's efforts to link nutrition education in the classroom with healthful foods, including fresh fruits and vegetables, offered in the school cafeteria. The FSMC shall promote nutrition education aspects of the SFAs school's food service program and cooperate in the efforts of the SFA to coordinate these aspects with classroom instruction and federal, state, and local programs. The FSMC shall further promote the nutritional aspects of the school meal programs by the types of foods they serve as part of the program meals, as well as à la carte and vending sales.
5. The FSMC shall supply foods required for students for whom special diets have been prescribed by a medical doctor or other recognized medical authority. The FSMC shall seek assistance from a registered dietitian to translate the diet prescription into actual foods to be available to the student.
6. The FSMC shall cooperate with the SFA in the utilization of an advisory board composed of students, parents, teachers, other school personnel, and a FSMC representative to assist in planning meals and promoting participation. The FSMC shall meet with the advisory board at least quarterly and will document the proceedings and outcomes of the meetings.
7. The SFA may request the FSMC to provide additional food service; however, the SFA reserves the right, at its sole discretion, to sell or dispense any food or beverage in conjunction with other school events.
8. Upon the SFA's request, the FSMC shall provide catered food service events at times and prices mutually agreed upon by the SFA and FSMC. Catered events will include any meal function that is not associated with the SFA's nonprofit food service program such as banquets, luncheons, breakfasts, or other special meal functions. At the time the catered event is requested, a firm price per meal shall be confirmed in writing.
9. The FSMC shall not be reimbursed for any meals which are spoiled or unwholesome at the time of service, that does not meet the specifications developed by the school district, or that do not otherwise meet the requirements of this agreement provided, however, that no deduction shall be made unless the SFA shall give the FSMC written notification within 48 hours of the meal service for which the deduction is to be made, specifying the number of meals for which the SFA intends to deduct payment, and setting forth the reasons for the deductions. In addition, meals dropped by the students shall be replaced at no cost to the students.
10. The SFA must make potable water available to children in schools at no charge in all schools or places where reimbursable lunch meals are served during the meal service as per amended section 9(a) of the Richard B. Russell National School Lunch Act (42 U.S.C. (1758(a))). There are a variety of ways that schools can implement this requirement. For example, schools can offer water pitchers and cups on tables, water fountain, or a faucet that allows students to fill

their own bottles or cups with drinking water. In addition, water must be available in the afterschool snack program, and an effort should be made to provide drinking water during field trips with reimbursable bag lunches. However, availability of drinking water is not required at breakfast. The FSMC will include in their firm price the cost of cups, water pitchers, or other supplies purchased in schools where a water fountain or faucet is not practical or available.

F. Facilities, Equipment and Inventory

1. The SFA shall make available to the FSMC suitable food service facilities, completely equipped and ready to operate, together with such utilities as heat, fuel, refrigeration, and other utilities as may be reasonably required for the FSMC for the efficient performance of this agreement. The FSMC agrees to utilize the SFA-owned equipment and facilities in good and proper manner and shall keep the same in a state of cleanliness to assure strict compliance with health regulations of the state.
2. All non-expendable equipment shall be purchased by the SFA. Records of equipment depreciation will be maintained and recorded in the appropriate reporting system. The SFA shall have full access to the food service facilities at all times. Principals or other SFA officials will inform the FSMC prior to use of the facilities during any serving periods. The FSMC shall not use SFA facilities or equipment for preparation of food to be served at any other function unless approved by the SFA.
3. The SFA shall furnish building maintenance services for the food service facilities and shall promptly make all equipment repairs and replacements and shall be responsible for compliance with all federal, state, and local safety and health laws and regulations with respect to the food service facilities. Repairs to expendable and non-expendable equipment or physical facilities due to the negligence of the FSMC, its employees, or its agents shall be the sole responsibility and expense of the FSMC.
4. The preparation of food off the SFA premises for service to students in the school district shall be prohibited without prior approval in writing by the SFA. Should such approval be acquired, the FSMC shall have state and local environmental health inspection and certification for any facility outside the district in which it shall prepare meals for use in the SFA and shall maintain such health certification for the duration of this agreement.
5. The SFA shall provide and maintain an adequate inventory of service wares, small expendable equipment, and cash registers. All service wares and small expendable equipment and cash registers shall remain the property of the SFA.
6. All fixtures added by the FSMC during the term of the contract will become the property of the SFA. Fixtures for the purpose of this contract include goods that have become so related to the real estate that an interest in them arises under real estate law (examples include but are not limited to counters, islands, stove, ovens, sinks, or service stations which cannot be removed without damaging the floor).
7. The SFA shall retain the right to rent any SFA-owned food service facility to outside groups during non-school hours or weekends, provided that such rental does not interfere with the normal food service operation. When such activities are agreed upon by the FSMC and SFA,

the SFA may require that a member(s) of the food service staff, designated by the on-site manager, be on the premises. The SFA budget will be reimbursed for related personnel costs associated with the rental.

8. At the time of contract signing, the SFA and FSMC shall jointly inventory all equipment, USDA foods, food, and non-food related supplies to be utilized in the SFA's nonprofit food service program (Appendix K). A summary of such inventory shall become part of the contract. The SFA represents and warrants that all SFA food and supplies inventories, including USDA foods, existing at the commencement of operations hereunder are usable and shall meet the FSMC's menu requirements. In addition, at the commencement of operations, the FSMC and SFA shall mutually agree on the usability of such existing inventory and shall make an appropriate adjustment, if necessary, to the value of such existing inventory with the exception of the USDA foods.

G. Regulatory Compliance

1. The FSMC and SFA mutually agree to comply with all applicable standards, orders, or requirements issued pursuant to Section 306 of the Clean Air Act (42 USC 1857 [h]), Section 508 of the Clean Water Act (33 USC 1368), Executive Order 117389, and Environmental Protection Agency regulations (40 CFR Part 15). During the term of the contract, the FSMC may grant to the SFA a nonexclusive right to access certain proprietary materials of the FSMC, including, but not limited to, signage, operating or other manuals, recipes, menus and meal plans, and computer programs relative to or utilized in the FSMC's business or the business of any affiliate of FSMC. These materials shall be the property of the FSMC.
2. The SFA shall not disclose any of the FSMC's proprietary information or other confidential information, directly or indirectly, during or after the term of the agreement. The SFA shall not photocopy or otherwise duplicate any such material without the prior written consent of the FSMC. All trade secrets and other confidential information shall remain the exclusive property of the FSMC and shall be returned to the FSMC immediately upon termination of the agreement.
3. The SFA agrees that all proprietary computer software programs, marketing and promotional literature, and materials used by the FSMC on the SFA's premises in connection with the food services provided by FSMC under this agreement shall remain the property of FSMC notwithstanding the fact that the SFA may have received a charge for the use of such proprietary materials in connection with the SFA's food service program.
4. Upon termination of the agreement, all use of trademarks, service marks, and logos owned by the FSMC or licensed to FSMC by third parties shall be discontinued by the SFA, and the SFA shall immediately return to the FSMC all proprietary materials.
5. The FSMC acknowledges that during the course of this agreement, the FSMC shall have access to business systems, techniques, and methods of operation developed at the expense of the SFA and the FSMC acknowledges that the assets belong to the SFA. The FSMC agrees to keep such information confidential and shall not disclose such information directly or indirectly during or subsequent to the term of this agreement.

P. Term and Termination

1. This contract between the FSMC and SFA shall remain in force for one (1) year unless terminated sooner as herein provided. The contract may be canceled by either party for cause with a sixty (60) day written notice. Options for yearly renewals may not exceed four (4) additional years.

2. If either party shall fail or be unable to perform or observe any of the terms or conditions of this agreement for any reason other than excused performance reasons stated, the party claiming such failure shall give the other party a written notice of such breach. If, within thirty (30) days from such notice the failure has not been corrected, the injured party may cancel the agreement by giving thirty (30) days written notice, or, in the case of the SFA, effect such other arrangements as the SFA deems desirable during the continuation of the FSMC's inability or failure to perform.
3. Neither the FSMC nor the SFA shall be responsible for any losses resulting from the failure to perform any terms or provisions of the agreement, except for payments of monies owed, if the party's failure to perform is attributable to war, riot, acts of public enemies, or other disorders; strike or other work stoppage; fire; flood; or any other act not within the control of the party whose performance is interfered with, and which, by reasonable diligence, such party is unable to prevent. Any such occurrence shall be referred to as a "Force Majeure."
4. In the event of a Force Majeure, which interferes with the operation of the SFAs food service program, upon request, the FSMC will take all reasonable steps to continue to provide service upon the terms and conditions satisfactory to the FSMC and SFA, and any guarantee provided therein shall be adjusted to account for lost gross receipts and any increase in the SFA's total food service costs.
5. In the event that the FSMC is not able to perform under this contract due to events beyond the reasonable control of the management company (i.e., strike, labor or material shortage, fire, flood, or other casualty or Acts of God), the SFA may, at their option, terminate this contract and assume control of the facilities, equipment, food, supplies, expendables, etc., necessary for the continued operation of the SFA's food service operation.
6. Notwithstanding any other provision of this contract, both parties shall be deemed to have retained any and all administrative, contractual, and legal rights and remedies to which they may be entitled.
7. The SFA agrees that if, upon being advised in writing by the FSMC that the FSMC's services are not returning a fair and equitable profit, the SFA and the FSMC fail to effectuate new financial arrangements within thirty (30) days that rectify this problem, this contract may thereupon be terminated by the FSMC by giving sixty (60) days written notice to the SFA.
8. In the event of a change in the funding from federal and/or state sources, the SFA reserves the right to cancel the contract in total or modify the terms and conditions as necessary.
9. The SFA may terminate this contract for breach/neglect as determined by the SFA when considering such items as failure to maintain and enforce required standards of sanitation, failure to maintain proper insurance coverage as outlined by contract, failure to provide required information statements, failure to maintain quality of food and service at a level satisfactory to school district, or failure to comply with federal and state regulations. The SFA is the responsible authority without recourse to FNS for the settlement and satisfaction of all contractual and administrative issues arising for the transaction. Such authority includes, but is not limited to, source evaluation, protests, disputes, claims, or other matters of contractual

nature. Matters concerning violations of the law will be referred to the local, state, or federal authority that has proper jurisdiction.

10. Upon the termination or expiration of the agreement, the FSMC shall, as soon thereafter as is feasible, vacate all parts of the premises occupied by the FSMC and return the premises to the SFA, together with all the equipment furnished by the SFA pursuant to this contract, in the same condition as when originally made available to the FSMC, excepting reasonable wear and tear and fire and other casualty loss.
11. In the event of default on the contract, the FSMC shall pay to the SFA the amount of the performance or surety bond.

Q. Additional Conditions

1. No oral interpretations of the RFP requirements shall be binding on the SFA. All changes in the RFP requirements shall be in writing and shall be issued in the form of an addendum to the RFP no less than ten (10) calendar days prior to proposal opening.
2. By entering a response to this RFP, the FSMC certifies that the corporation, firm, or person is submitting a proposal/bid for the same materials, supplies, equipment, or services as specified in the RFP. The FSMC certifies that the proposal/bid is in all respects fair and without collusion or fraud. The FSMC certifies that they understand that collusive bidding is a violation of federal law and can result in fines, prison sentences, and civil damage awards.
3. Conflicts of interest, gratuities and kickbacks, or other inducements are prohibited. Any employee or any official of the SFA or School Board, elective or appointive, who shall take, receive, or offer to take or receive, either directly or indirectly, any rebate, percentage of contract, money, or other things of value as an inducement or intended inducement in the procurement of business or the giving of business for, or to or from, any person, partnership, firm, or corporation, offering, bidding for, or in open market seeking to make sales to the SFA shall be deemed guilty of a felony, and upon conviction, such person or persons shall be subject to punishment of a fine in accordance with state and/or federal laws.
4. Contracts that permit receipts and/or expenses to accrue to the FSMC are prohibited.
5. The SFA reserves the right to accept and/or reject any and all proposals/bids in the best interest of the SFA. The FSMC agrees that only a fixed firm price agreement will be acceptable. Proposals that are submitted based on a "cost-plus-a-percentage-of-cost" or "cost-plus-a-percentage-of-income" basis are prohibited and will not be accepted.
6. Final acceptance of any contract as a result of response to this RFP shall be subject to approval by the South Carolina Department of Education's Office of Nutrition Programs. The RFP becomes the official contract when approved, awarded, and officially signed.

REFERENCES CHECK

The evaluation committee may contact, by telephone or personal visit, an equitable and reasonable number of references for each responsive offeror. A subcommittee can be appointed to accomplish this task and to report the results in a documented manner to all other evaluators for consideration. However, it is permissible for the reference checks to be performed by one individual if this is the desire of the evaluation committee members. A written questionnaire is usually developed, identifying the reference and questions to be asked of the various references. A brief summary of the answers is then recorded on the form. Upon completion, evaluator(s) sign the document and report the information to all other evaluators.

INSTRUCTIONS FOR CERTIFICATION FOR DRUG-FREE WORKPLACE

1. By signing and submitting this form, the grantee is providing the certification set out on pages 1 and 2.
2. The certification set out on pages 1 and 2 is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award and there is no application, the grantee must keep the identity of the workplace(s) on the file in this office and make the information available for federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or state highway department while in operation, state employees in each local unemployment office, performers in concert halls or radio studios).
5. If the workplace identified in the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s).
6. Definitions of terms in the Non-procurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:
 - **Controlled substance** means a controlled substance in Schedules I through V of the Controlled Substances Act (21 USC 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15).
 - **Conviction** means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the federal or state criminal drug statutes.
 - **Criminal drug statute** means a federal or non-federal criminal statute involving manufacture, distribution, dispensing, use, or possession of any controlled substance.
 - **Employee** means the employee of a grantee directly engaged in the performance of work under a grant, including (1) all "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

BEAUFORT COUNTY SCHOOL DISTRICT

GOVERNMENTWIDE REQUIREMENTS FOR DRUG-FREE WORKPLACE

This part carries out the portion of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701 et seq., as amended) that applies to grants. It also applies the provisions of the Act to cooperative agreements and other financial assistance awards, as a matter of federal government policy. 7 CFR Part.400 requires the awarding official to obtain each recipient's agreement, as a condition of the award, to comply with the requirements of Subpart B and C of this regulation. 7 CFR Part 3021.200 through 3021.300 provides specific requirements that must be followed.

- A. There are two requirements if you are a recipient other than an individual.
1. Must make a good faith effort, on a continuing basis, to maintain a drug-free workplace by
 - (a) publishing a drug-free workplace statement and establish a drug-free awareness program as per 7CFR 3021.205 through 3021.220);
 - (b) taking actions concerning employees who are convicted of violating drug statutes in the workplace (7 CFR 3021.225); and
 - (c) identifying all known workplaces under your federal awards (7CFR 3021.230).
 2. The drug-free workplace statement must
 - (a) tell your employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in your workplace;
 - (b) specify the actions you take against employees for violating that prohibition;
 - (c) let each employee know that, as a condition of employment under any award, he or she
 - (1) will abide by the terms of the statement; and
 - (2) must notify you in writing if he or she is convicted for a violation of a criminal drug statute occurring in the workplace and must do so no more than five calendar days after the conviction; and
 - (d) must require that a copy of the statement described in 7 CFR 3021.205 be given to each employee who will be engaged in the performance of any federal award.
- B. The grantee must publish the drug-free workplace statement and establish a drug-free awareness program. If the grantee is a new recipient and does not currently have a policy statement as described in 7 CFR 3021.205 and an ongoing awareness program as described in 7 CFR 3021.215, the recipient must publish the statement and establish the program by the time listed below:
1. If the performance period of the award is less than 30 days, then you must have the policy statement and program in place as soon as possible, but before the date on which performance is expected to be completed.
 2. If the performance period of the award is 30 days or more, then you must have the policy statement and program in place within 30 days after award.
 3. If you believe there are circumstances that will require more than 30 days for you to publish the policy statement and establish the awareness program, then you may ask the Department of Agriculture awarding official to give you more time to do so. The amount of additional time, if any, to be given is at the discretion of the awarding official.
- C. There are two actions that must be taken if an employee is convicted of a drug violation in the workplace, as per Part 3021.225:
1. First, you must notify federal agencies if an employee who is engaged in the performance of an award informs you about a conviction, as required by 7 CFR 3021.205(c)(2), or you otherwise learn of the conviction. Your notification to the federal agencies must
 - (a) be in writing;
 - (b) include the employee's position title;
 - (c) include the identification number(s) of each affected award;
 - (d) be sent within ten calendar days after you learn of the conviction, and

- (e) be sent to every federal agency on whose award the convicted employee was working. It must be sent to every awarding official or his or her official designee, unless the federal agency has specified a central point for the receipt of the notices.
2. Second, within 30 calendar days of learning about an employer's conviction, you must either
 - (a) take appropriate personnel action against the employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973 (29 U.S.C. 794), as amended, or
 - (b) require the employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for these purposes by a federal, state, or local health, law enforcement, or other appropriate agency.
- D. The grantee must identify all known workplaces under each Department of Agriculture award. A failure to do so is a violation of your drug-free workplace requirements as contained in 7 CFR 3021.230. The grantee may identify the workplaces.
1. To the Department of Agriculture official making the award, either at the time of application or upon award; or
 In documents that you keep on file in your offices during the performance of the award, in which case you must make the information available for inspection upon request by Department of Agriculture officials or their designated representatives. Your workplace identification for an award must include the actual address of buildings (or parts of buildings) or other sites where work under the award takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or state highway department while in operation, state employees in each local unemployment office, performers in concert halls or radio stations.
 2. If you identified workplaces to the Department of Agriculture awarding official at the time of application or award, as described in paragraph 1(a) of this section, and any workplace that you identified changes during the performance of the award, you must inform the Department of Agriculture awarding official.
- E. As an individual recipient according to 7 CFR 3021.300, an individual recipient must agree that
1. They will not engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity related to the award; and
 2. If you are convicted of a criminal drug offense resulting from a violation occurring during the conduct of any award activity, you must report the conviction
 - (a) In writing.
 - (b) Within 10 calendar days of the conviction.
 - (c) To the Department of Agriculture awarding official or other designee for each award that you currently have, unless 7 CFR 3021.301 or the award document designates a central point for the receipt of the notices. When notice is made to a central point, it must include the identification number(s) of each affected award.

REQUEST FOR PROPOSAL/CONTRACT

SECTION NINE

**Criteria and Guidance for
Evaluation of RFP
and
Awarding the Contract**

EVALUATION COMMITTEE GUIDANCE

The district's procurement official or other acceptable appointee serves as the chairperson of the RFP Evaluation Committee. As Chairperson of the Evaluation Committee, this official will address each of the following areas with the committee before the evaluation process begins.

1. **CONFLICT OF INTEREST**—No conflict of interest shall exist for any member of the evaluation Committee (i.e., (1) part ownership in any company submitting an offer, (2) family member works for or has part ownership in any company submitting an offer, and/or (3) any other reason why a member of the evaluation committee cannot give an impartial evaluation).
2. **INDEPENDENT EVALUATION**—Each member of the evaluation committee must score each and every proposal independently.

For emphasis in understanding and rating proposals, it is suggested that proposals be read and rated a second time. (First reading check against RFP requirements; second reading should be more comprehensive.)

After all proposals are scored, a committee meeting will be held for the purpose of general discussions prior to finalizing scores in ink and making an award. Totals will not be added until the oral presentations are provided.

3. **NONRESPONSIVE PROPOSAL**—Proposals not complying with all essential requirements will be considered non-responsive and therefore not considered for award. Evaluation (scoring) will not be performed. The procurement official is responsible for any final determination of responsiveness. (Check responses against requirements of the RFP. Read and be prepared to discuss if considered non-responsive.)
4. **RATING STRUCTURE**—The evaluation points for each award criteria are as indicated on the evaluation sheet.
5. **COST**—The points for the cost section of the evaluation will be figured by a district official based on a mathematical formula. The evaluation committee should initially evaluate all proposals without consideration of cost.
6. **DOCUMENTATION OF SCORING**—Evaluation committee members may support their reasoning for discussions and scoring with appropriate documentation or notes. Any such documentation or notes must be made on a separate work sheet for each offeror. Work sheets and evaluator's notes will not be taken up or become a part of the file. Such notes are subject to the Freedom of Information Act, even when in the possession of the evaluator. Do not write in the proposals or on the final score sheets, which when turned in, become part of the procurement file.
7. **ORAL PRESENTATION**—The committee may request an oral presentation from offerors in order to reach a final decision. It is recommended that this opportunity be afforded to the top 2–3 FSMC candidates. Presentations made by the FSMCs shall be confidential. Discussions must not be held with anyone other than the procurement official or the other evaluation Committee members while in an officially called evaluation committee meeting.
8. **PROTEST HEARING**—All decisions by the committee are subject to protest. Each member and/or the whole committee may be called upon to explain or defend their individual ratings.

Prohibition against conflicts of interest, gratuities and kickbacks: Any employee or any official of the School District, elective or appointive, who shall take, receive, or offer to take or receive, either directly or indirectly, any rebate, percentage of contract, money, or other things of value as an inducement or intended inducement in the procurement of business or the giving of business for, or to or from, any person, partnership, firm, or corporation offering, bidding for, or in open market seeking to make sales to the School District shall be deemed guilty of a felony, and upon conviction, such person or persons shall be subject to punishment or a fine in accord with state and/or federal laws.

I have read and understand the Evaluation Committee Guidance.

**UNALLOWABLE SFA-FSMC
CONTRACT DOCUMENT PROVISIONS**

UNALLOWABLE SFA-FSMC CONTRACT DOCUMENT PROVISIONS
(Must be submitted with Request for Proposal/Contract)

The following indicate problem areas that have been identified in SFA-FSMC contract documents. The contract documents must be thoroughly checked, regardless of the procurement method used, to ensure that these areas have not been included, in any form. Indicate with a check mark (✓) in each block that the review of the document(s) indicates that there are no such provisions in the reviewed document(s), unless specified below.

Check (✓) as described above.

- 1. **Cost Plus a Percentage of Cost/Income**—cost plus a percentage of cost/income to the FSMC, however represented.
- 2. **Duplicate Fees**—fee structures that permit a FSMC to bill management fees and charge the same costs as cost-reimbursable expenses.
- 3. **Purchasing**—if the SFA does the purchasing, clauses that limit the selection of vendors to only FSMC-approved vendors. (FSMC may not serve as a vendor.)
- 4. **Acceleration Clause**—provisions (multi-year) that require full payment (e.g., program equipment purchases) if the contract is not re-negotiated.
- 5. **Interest Payments**—interest payments to the contractor, however represented, including interest payments for equipment purchases.
- 6. **Guaranteed Return**—“guaranteed return” provisions unless the “return” remains in the nonprofit food service account. “Returns” cannot be contingent upon multi-year contract duration.
- 7. **Delegation of SFA Responsibilities**—FSMC responsibility for any of the functions that must be retained by the SFA.
- 8. **Automatic Renewal**—provisions which automatically renew the contract.
- 9. **Processing Contracts**—contract document language that permits the FSMC to subcontract USDA foods for further processing.
- 10. **USDA Food Rebates, Prepayment or Other Procurement Bonuses, Special Promotions**—contract document language that permits such rebates, special promotions, or other financial purchasing incentives to accrue to the FSMC or any other entity besides the SFA’s nonprofit school food service program.
