Public Records Requested (Description of Documents or Information Requested):	An electronic record, such as an excel spreadsheet, with the employee roster for all Beaufort County School District employees as of the present date. It is my understanding that your agency keeps a

centralized database with each employee's name, position, race, gender, full compensation, assigned school or district office, hire date, etc.

I am not asking your agency to create a new record, but rather provide me all the non-exempt fields of any such electronic record you keep that would be responsive to this request. If the request is denied, please cite the exemption you are using to make such a determination.

As a member of the news media seeking this information in the public interest, I respectfully request fees be waved, per statute. If charges are necessary for this request, please provide me with a detailed breakdown of the anticipated charges before fulfilling the request.

Thanks in advance,  
Maggie Angst
