Geri,

Thank you for clarifying. This is the first time I am hearing of this proposal. It certainly sounds like a good idea worth Board consideration. However, if it is only intended for "discussion", why has it been placed under **Board Business Action?** Was this determined at agenda setting?

I can certainly save the rest of my questions for tomorrow night.

The weather forecasts caused me to reconsider my attendance at the Charleston SCSBA conference. Bowing out saved the district a few bucks, as well. You may question my absence at the convention, but *many* will question the attendance of outgoing Board members.

Tomorrow night marks our last Board meeting working together as colleagues. Thank you for your service and best of luck in all future endeavors.

JoAnn,

I was told all board members had registered for the SCSBA conference in Charleston so I thought I would answer your question in person. I'm surprised I never saw you.

Anyway, there are no documents for item F, which is a discussion to post Board member emails (which don't contain protected information) to the BCSD website at the end of each month so the public has access to business being conducted via email without having to go through the FOIA process.

Subject: Draft Agenda Questions (12/11/18)

Robyn, Molly and Officers,

There are several **Board Action** items listed on the 12/11/18 Draft Agenda in BoardDocs. I can identify all of them, except for item 'F':

F) Board Members' Emails Post to Board Website

Questions:

- 1) Can you tell me what item 'F' is? I cannot identify it.
- 2) Is there accompanying information and/or document(s) for this item? Every other Board Action item has an attachment, except for 'F'.

Since the Board is expected to take some sort of action (?) on 'F' Tuesday, I would appreciate knowing what the item is and reviewing information in advance of the meeting.

Please advise.

Respectfully,
