Subject: RE: Freedom of Information Act (FOIA) Request Form

Dr. Moss – I have been asked to communicate the following from Dr. Berg:

As with all FOIA requests, it is the District's practice that the administration provide the District's response to FOIA requests. That is how the Board views it as well. Having reviewed this matter further, including further discussion with legal counsel, the District continues to be of the opinion that the exemption under sec. 30-4-40(a)(7) for attorney-client communications applies to the attachment to Ms. Orischak's second email on Dec. 10, 2018.

Thank you. My point is once a document is shared with the public it becomes a public document.

Dr. Moss –

In your emailed FOIA request to Jim Foster and me dated Jan. 16, 2018, you ask for copies of all emails and attachments by JoAnn Orischak, Board Member, sent to any Island Packet email addresses from any email account associated with Ms. Orischak, during the period Dec. 8 – 11, 2018.

The emails in the District's possession sent by Board Member Orischak to email addresses associated with the Island Packet during the period specified in your request, i.e., December 8 – 11, 2018, are Ms. Orischak's two emails to various Board members dated December 10, 2018, which were copied to mangst@islandpacket.com and efarrell@islandpacket.com. I am attaching copies of those two emails. Please be advised that the District is not providing to you an attachment to Ms. Orischak's Dec. 10 email sent at 11:36 AM for the reason that that document is exempt from disclosure under FOIA sec. 30-4-40(a)(7) as correspondence from legal counsel, which if disclosed would violate attorney-client privilege. If you have any questions, please let me know.
