Two district high schools ranked in state's Top 10 by U.S. News and World Report

BEAUFORT – Hilton Head Island and Bluffton high schools were listed among South Carolina's Top 10 high schools in 2016 rankings released this week by U.S. News and World Report magazine. Both schools also earned similarly high rankings in a separate 2016 report from The Washington Post.

The Top 10 South Carolina high schools for 2016, as ranked by U.S. News, are:

1. Academic Magnet High (Charleston)
2. Charleston School for the Arts (Charleston)

3. Dutch Fork High (Lexington/Richland District 5)
4. Wade Hampton High (Greenville)
5. Hilton Head Island High (Beaufort)
6. Wando High (Charleston)
7. Bluffton High (Beaufort)
8. Chapin High (Lexington/Richland District 5)
9. Mauldin High (Greenville)
10. Fort Mill High (York District 4)

U.S. News compiles annual rankings based on student test scores, on-time graduation rates and how well schools prepare students for college.

“To have a district our size with not one, but two high schools ranked among South Carolina’s best is terrific,” said Superintendent Jeff Moss. “And to have not one, but two national publications come to the same conclusion is pretty clear evidence of consensus. It’s great to see those students, administrators, teachers and staff recognized for their hard work.”

Hilton Head Island High School, meanwhile, was ranked No. 6 in South Carolina and Bluffton High No. 12 in The Washington Post’s annual listing of “America’s Most Challenging High Schools.” The Post ranks schools through an index formula that’s a simple ratio: the number of Advanced Placement, International Baccalaureate and Advanced International Certificate of Education tests given at a school each year, divided by the number of seniors who graduated that year.

Our monthly LCAHY meeting will be held Monday, April 18, 2016 at 6 pm at Hilton Head Island High School Media Center.

Thank you to HHIHS for allowing us to meet in their Media Center. We will continue to alternate our meetings between Hilton Head and Bluffton. Below is an outline of our agenda for the evening. We encourage everyone to attend. If you are unable to attend, please ask another person from your organization or group to attend in your place. It is very important as our coalition moves forward to have representation from throughout our community. YOUR participation is crucial to the success of LCAHY!

- 1) Approval of March's Minutes - minutes from the March meeting are attached for review.
- 2) Drug Free Communities Grant Update and Competitive Grant Opportunities through Community Foundation of the LowCountry
- 3) LCAHY Youth Update
- 4) 12 Month Strategic Plan Discussion
- 5) New business

Blessings,

Good morning everyone. A few minutes ago, I was made aware of a posting on the boys' bathroom wall, near our cafeteria, stating "Don't come to school April 5th." Our SRO, Nikki Shea, has contacted her superiors, Sgts. Moreno and Fripp, who are on their way to our building. The bathrooms have since been closed and we are investigating camera footage to narrow things down. I will communicate with parents in a fashion similar to Amanda's communication from last week. We will increase our security for tomorrow. Thank you. If you need me and cannot reach me at my desk or on the district phone, my person cell is 704 957 8335.

Subject: NEWS RELEASE: Board matches Hilton Head Island school start times with other district schools

FOR IMMEDIATE RELEASE

Friday, April 1, 2016

Board approves new start times for Hilton Head Island schools to match other district schedules

BEAUFORT – The Beaufort County Board of Education voted today to change start times for Hilton Head Island's schools to match the schedules at other district schools that were approved by the Board on March 15.

Beginning with the 2016-17 school year, all district elementary and PreK-8 schools will begin classes about 8 a.m., and middle and high schools will begin classes about 9 a.m.

Numerous scientific studies show that sleep-deprived adolescents often suffer physical and mental health problems, an increased risk of automobile accidents and declines in academic performance. Researchers say that because of hormonal changes that occur in adolescence, teens' bodies are not ready to go to sleep earlier at night.

"We focus on student learning and student health, and the research is very clear that teens benefit from later start times," said Superintendent Jeff Moss.

Hilton Head Island High School moved its starting time from 7:45 to 8:35 a.m. in a pilot initiative that began two years ago, and school officials said that the results have been positive.

"We're seeing fewer students late to school, fewer disciplinary referrals and more students on the Honor Roll," said Hilton Head Island High Principal Amanda O'Nan. "I can't imagine going back."

O'Nan said that feedback from students and parents has been overwhelmingly in favor of the change. "The kids say they're more awake and more alert in class. Their initial reaction was how nice it was for the sun to be up as they made their way to school. Our parents are on board, too."

In an official policy statement published in 2014, the American Academy of Pediatrics recommended that middle and high schools delay the start of class to 8:30 a.m. or later.

“Chronic sleep loss in children and adolescents is one of the most common – and easily fixable – public health issues in the U.S. today,” said pediatrician Judith Owens, lead author of the AAP policy statement, “School Start Times for Adolescents.”

“The research is clear that adolescents who get enough sleep have a reduced risk of being overweight or suffering depression, are less likely to be involved in automobile accidents, and have better grades, higher standardized test scores and an overall better quality of life,” Owens said. “Studies have shown that delaying early school start times is one key factor that can help adolescents get the sleep they need to grow and learn.”

Other studies have documented that the average American adolescent is sleep-deprived. Among those studies was a National Sleep Foundation poll that found 59 percent of students in Grades 6-8 and 87 percent of high school students were getting less than the recommended 8.5 to 9.5 hours of sleep on school nights.

Individual Beaufort County schools will determine their precise daily schedules later this spring and communicate those schedules to parents. Elementary and PreK-8 schools would begin classes about 8 a.m. and end about 3 p.m. Middle and high schools would begin classes about 9 a.m. and end about 4 p.m.

Moss said that schools would look at offering expanded adult supervision to accommodate parents whose work schedules affect their ability to drop off or pick up students at the new times.

Guys, there is a 99% chance that I will not be returning to Bluffton High as the AD next school year. Apparently the policy has been changed that if the principal is retiring, it is a full moon, leap year with a high tide, ... then they do not have to honor my request to return for one year. But it has been a blast. I appreciate the loyalty, hard work, support and endless amount of time that y'all put into building our Bobcat Nation. Parents,

Periodically, we have to address vandalism and various odd things written on bathroom walls. Earlier in March it was reported to me that we had vandalism in the boys restroom. The message was encouraging students to not to come to school on March 29th. There was no mention of a shooting nor bomb but yet the rumors have gotten out of control. (There is no specific threat in the message.) I have had numerous text messages, phone calls and emails from concerned parents and students. Safety is my priority and obviously, I followed normal protocol when these type of messages are shared. We are working with the Beaufort County Sherriff's Department and district office to ensure our students are safe. Please be assured that we have no reason to believe students should fear for their safety nor stay home tomorrow.

Couldn't do your job ..

In the first, second and fourth paragraph you capitalized "Investigators" but it's not a proper noun so it shouldn't be Capitalized.

In the second paragraph you are missing a conjunction... Should read Finesse Gang and are. Add the "And"

In the 3rd paragraph you need to add "Creek" to Muddy Road. Also change turn to turning. And change search to searched where it says "were searched and as a result..."

In the 4th paragraph change prepare to preparing

And add "from" or another preposition word to the sentence that says "information their investigation..." I think it sounds better if it reads "information from their investigation"

Good job

Thanks Amanda. You will be missed, but we are hoping Diana and Shawn will both be there. May we continue to meet at HHIHS in the media center for our monthly meetings? I'd like to get a rotating schedule between HHIHS and Bluffton HS set for several months out to distribute at tonight's meeting as well as in our email communication with all members. If it is available, here is what I would propose at this time:

LCAHY Meeting Schedule

Monday, March 7th @ Bluffton HS, Room 1004 - 6 pm

Monday, April 18th @ HHIHS Media Center - 6 pm

Monday, May 16th @ HHIHS Media Center - 6 pm

Monday, June 20th @ Bluffton HS, Room 1004 - 6 pm

July - Break

Monday, August 15th @ HHIHS Media Center - 6 pm

Monday, September 19th @ HHIHS Media Center - 6 pm

We look forward to helping all our youth make healthier and positive choices.
Blessings,

Wendy

Would one of you have the email for Diana Lopez? I would like to get this in her hands for signature prior to tonight's LCAHY meeting at Bluffton High. We do not seem to have an email for her that works.

Thank you!

The next meeting for LCAHY will be Monday, March 7th at 6 pm. We are diligently working on the DFC grant and with the grant deadline being March 18th, we agreed to move March's meeting to accommodate collaborative grant efforts. We apologize for the date change, and will resume meeting on the 3rd Monday of each month.

The agenda of this meeting will be focused on the grant and working to finalize the components of the application. We appreciate the work and efforts of those who have been able to help with the grant process thus far. We encourage attendance Monday as there is still work to be done.

Minutes from February's meeting are attached and will be presented for approval at Monday's meeting.

Thank you.

Dear Amanda-

I learned earlier, that you are going through a challenging time and I want to let you know that I and our FCA staff are praying for you and will continue to do so. Take comfort and stronghold in the verses from James 1: 1-5 We are here if there is anything we can do for you. Please don't hesitate to reach out.

**Subject:** LCAHY Meeting on February 8th

Good Afternoon Amanda,

You may have seen that Channel 22 (WJCL) had a very nice piece on the Bluffton students and LCAHY. Here is a link: <http://www.wjcl.com/news/local-news/bluffton-hs-students-educating-their-peers-about-dangers-of-drug-use/133404136/story>

Did Wendy Cummings touch base with you? I have copied Wendy on this email in case I am being repetitive or incorrect in my questions. The LCAHY has a meeting scheduled for 2/8 at 6:00 pm, however, their normal meeting location (Palmetto Electric) is not available. Do you think we could utilize the media center for a meeting? Perhaps, we could treat it as an SIC subcommittee? The meeting would run from 6:00 – 8:00.

Also, could you or Sandra possibly attend as the HHI HS administration representative? Dr. Novince is planning to share her progress with the National grant and it would be good to have HHI HS more fully updated.

Please let me know if you have questions or would like to sit down to discuss any of this further.

Gratefully,  
Todd

Colleagues: We had a tremendous turnout for the seminar on Saturday. Our speaker challenged us to continue, and in that vein, we need to critique Saturday's event, develop an ongoing strategy, and keep the momentum going. I have secured the Dunkin Donuts meeting room for Thursday afternoon from 1:00 to 3:00 for that purpose. Please confirm your availability to attend so that I can pre-order drinks and snacks for consumption; thanks.

Hi Amanda,

I hope all is well with you as you begin your second half of the year. I continue to hear lots of positive in the community about the growing stature of Hilton Head High and your leadership.

You have probably heard of the Hilton Head Institute and may have attended it's forum a few months ago on education. I have been asked to help out in putting together the forum on Healthcare and wondered if you might be interested in playing a role. The forum will on Friday (1/29) and Saturday morning (1/30). The Friday session will have presentations from Nationally and Internationally known speakers on issues around Healthcare and creative solutions for making us a healthier nation. Then on Saturday, we would like to have a panel discussion with 5-6 local leaders on how we might take some of what we heard the day before and bring it to the local level. In discussions we have had so far, the role of prevention and

education will be a key thrust of the presentations and I mentioned your name as an innovator, giving your change in starting times as an example.

We'd be very excited if you would agree to be a member of the panel. You would come Friday as my guest, and would have some information about the speakers and what they will say in advance. The panel discussion would take about an hour on Saturday morning. It would be intended to be a free flowing conversation, ending in some agreement on what issues to focus on together locally.

I'll send along some further information and give you a call in a day or two, but do hope that you will be able to participate.

Thanks for your consideration and Happy New Year!

Mark

**Subject:** IMPORTANT: Change in SMS texting option sign-up for parents

TO: Principals

Today we go "live" with SMS texting as a new communication tool for schools, but there has been a VERY IMPORTANT CHANGE in the sign-up process.

Although we had previously been told that parents would need to take no action in order to start receiving text messages from their child's school, we learned from SchoolMessenger this morning that this is not the case. Parents WILL need to sign up, and attached is a revised flyer that gives them three ways to do that. The easiest way is for parents to respond favorably when they receive a text from SchoolMessenger (probably today). Options 2 and 3 are described in the flyer. Please get this information to your parents as quickly as possible.

Again, you may add SMS texting to your available SchoolMessenger communications options immediately, but your parents will have to sign up for the new service by using the information provided in the attached flyer.

We've also learned that, as a district, we are at our limit in terms of school-based staff who are authorized to send messages to parents via SchoolMessenger. If you wish to designate an additional authorized user for your school, you will need to remove a previously authorized user.

If you have any questions about SchoolMessenger, please contact Tina Purvis (843-322-2315, [tina.purvis@beaufort.k12.sc.us](mailto:tina.purvis@beaufort.k12.sc.us)).

Thanks, all.

Hey good morning. Hope you're doing good. Glad another drill is done. I wanted to check with you on the status of your SSD. It's been 2 years since you were promoted. I pray they don't but the state can reduce you in rank after 2 years if you haven't completed your school requirement (WLC). I don't want to see anyone lose their rank. Please work on getting your SSD done so you can go to WLC and get caught back up.
