

Family Support Services

For Families of Children With Disabilities

Family Support Network

Partners For Success

MARYLAND STATE DEPARTMENT OF EDUCATION
Division of Special Education/Early Intervention Services

Family support coordinators assist families of children with disabilities ages birth to 21.

For Families With Infants and Toddlers

Birth to 3

Local Family Support Network

A service of local Infants and Toddlers Programs working to meet the needs of families with infants and toddlers with developmental delays or disabilities.

For Families With Preschool-Age Children

Ages 3 through 5

Local Preschool Partners

Helping families as they transition from local Infants and Toddlers Programs to early childhood settings.

For Families With School-Age Children

Ages 3 to 21

Local Partners For Success Centers

Helping families build strong working relationships with local school systems.

Need support and resources to help assist your child with a disability at home or school?
