

Site & Facilities Committee Meeting
Adlai E. Stevenson High School District Administration Center
October 4, 2021 – 5:30 p.m.

President Frost called the meeting to order at 5:32 p.m. On roll call, Mrs. Neault, Mr. Frost, Mr. Gorson, Mrs. Agrawal, Mrs. Shang, and Mrs. Moons answered. Also, in attendance was Superintendent Twadell, Mr. Carney, Mr. Gobble, Ms. Oh, Jeff Masters, Dan Sullivan, and Mrs. Tjardes.

There were no visitors' statements.

Improvements to Academic Facilities – Summer 2022

Discussions focused on the projects slated for completion during the summer of 2022. The projects for summer 2022 include: replacement of the west boilers, tuckpointing, carpet replacement, renovation of the PE office room 2108, creation of a classroom, updating of the Little Pats playground and remodeling of the remaining science labs. The estimated costs of these projects are between \$5,900,000 and 8,000,000. It was noted that at the October Board meeting, the Administration will be seeking authorization for Wight & Co. to create construction drawings. In addition to authorizing Wight & Co. to create construction drawings, it is crucial that the Board also authorize Gilbane to conduct a bid for the Summer 2022 projects. Gilbane has conducted bids similar to this every Summer.

Discussions also focused on the progress of the construction for the East Building Addition Phase 2. Steel erection is expected to be complete around mid-October, with final detail work continuing throughout the fall.

Mr. Gorson moved, seconded by Mrs. Moons that the meeting be adjourned. By voice vote, the motion carried unanimously. (7:25 p.m.)
