Ms. Farrell-

On the enclosed thumb drive are the responses to two FOIA requests. The first is in response to your request for, "Any email correspondence between Jerry Henderson and Ashton Padgett from Aug. 1, 2018-Dec 20, 2018." A couple of the e-mails were redacted because they contained student names, but the majority required no redaction.

Your second request was for, "Any Beaufort County School District-sanctioned travel records for Jerry Henderson and Ashton Padgett from Aug. 1, 2018 to Dec. 20, 2018." There were no responsive documents for Jerry Henderson, and Ashton Padgett had one trip during this time frame and we have included those documents.

Sincerely,

Jennifer A. Staton, MS, CSP
