Jim,

The State (Columbia) and Herald (Rock Hill) newspapers are putting together a database of high school football coaching salaries across the state. We request through the Freedom of Information Act the name of the varsity football head coach and their total annual compensation (salary plus any supplements) for the high schools in your district.

This information will be used to inform the public and as such we request any fees be waived. If there are fees, please alert [bmccormick@heraldonline.com](mailto:bmccormick@heraldonline.com) before proceeding. Thank you very much!
