Importance: High

Good morning,

Congratulations staff!!!! You have successfully completed another year and we thank you for that you have done to move our students. Heads of School will not be conducting any checking of rooms or signing of the checkout forms until after today's lunch due to our admin meeting and graduation practice.

Thanks,

Subject: Reminder

Good morning,

As we come to the close of another successful year at BHS, please be reminded to not send students to the gym with a pass. Additionally, please keep students in class with the exception of textbook and tablet returns as students will often wander to the gym. Your assistance is greatly appreciated.

Thanks,

Importance: High

Good morning,

I have been receiving a large number of questions on student attendance over the past few weeks and I wanted to make sure that everyone was on the same page.

- Grades are determined solely by the teacher.
- Students must have met 120 hours of seat time to earn credit however you as the teacher may determine that the student has completed all missed work, has demonstrated mastery for your class, and assign them the grade that they earned.
- Our second semester is 95 days which means that students have to be present for 80 days.
- Students that have not earned a passing final grade should not be assigned an FA

If you have any additional questions please let me or Mrs. Thompson know and we will be happy to assist.

Importance: High

Good afternoon,

Over the weekend we were fortunate enough to have our Boys Track Team win the State Championship. We will be recognizing those athletes in the gym at the end of the day. An announcement will be made to dismiss students in each small school beginning at 3:20 to join the celebration in the gym.

Subject: Student Survey Tomorrow

Importance: High

Good afternoon,

It has been brought to our attention that we have failed to successfully complete the student survey sent out by the district. The deadline to complete the survey is tomorrow. We will complete the survey tomorrow during second period. Student pass codes have been provided to each 2nd period teacher for students. We do apologize for the disruption, however this is a critical evaluation piece for accountability on our high school report card.

To access the survey students will need to open up chrome to access classlink sign in page. Once all the apps are open they will be able to click on the app for BHS online survey and then enter the code you will provide them. Each individual has a different code.
