**Subject:** Alert

Good Morning BHS Staff,

Early this morning, a 9<sup>th</sup> grade BHS student was forwarded a Snap Chat post from a former BHS student who now lives in Virginia. The Snapchat post showed a young man with a firearm. There was no direct threat either to BHS or to any other school. Nevertheless, law enforcement has been contacted and is investigating the post. In addition, there will be additional Beaufort Police on campus today. Again, the Snapchat post does not contain any specific threat to our school but because safety is our number 1 priority we are acting at an abundance of caution. BHS will operate today on the regular schedules.

Staff, please monitor the hallways between classes and before and after school as is our daily expectation. If there are any concerns you have or more information that you receive, please do not hesitate to call Officer Hayes, or our Administrative staff.

Thank you,  
Bonnie Almond  
Principal, BHS

As of May 9<sup>th</sup> I will have completed my Student teaching Assignment and officially have my Masters. How does this effect you, you may ask. I will be available to substitute teach for the remainder of May. It may change if they once again chose to have me be the building sub.

A big thank you to MarySusan Williamson for putting up with me for 15 weeks.
