Subject: questions to use

Importance: High

Good morning,

I know we discussed yesterday potentially coming up with some interview questions. Below are three questions I was thinking about. I am just thinking on paper so if they need to be adjusted or reworded we can do so. This is just a starting point. What do you think? Anything to add?

1. Did the wrestling team ever practice on Sundays this year? If so how many times and what coaches were present?
2. Is there an initiation process for new wrestlers that make the varsity team? Is there a "freshman" Initiation. What do these processes consist of?
3. Have you, or do you know of any person that has intentionally attempted to or has stuck their finger into the rectum of another athlete?

Thanks,
