Mr. David Grissom
Beaufort County School District
2900 Mink Point Blvd.
Beaufort, South Carolina 29906

Mr. Grissom:

Another school year has concluded and through effective communication and cooperation between law enforcement and school personnel, we have managed to keep our schools out of harm's way. We have conducted several school safety searches this year with a majority of them being requested by Hilton Head Island High School's administration. There were two incidents involving possession of a firearm that occurred at two of the schools this year that were handled well between the School Resource Officers involved and the school's administration.

The School Resource Officers have been active participants in the Pledge Against Gun Violence campaign as well as the activities surrounding Red Ribbon Week. The school resource officers will continue to work towards providing a safe learning environment for our children and our community.

Attached is the Year-End report for the 2014-2015 School Year. This report documents the activities of the School Resource Officers during this time period. In this report you will find all incident report numbers obtained by the school resource officers for this school year as well as numerous graphs and charts documenting information such as the offender's age, gender and race. Additionally you will find documentation of the types of incidents being committed at each school.

If you have any questions regarding this document please do not hesitate to contact me at (843) 255-3503 or (843) 812-5257.

Sincerely,

Alfredo H. Givens, Captain
Special Services Branch
