August 30, 2016

Mr. David Grissom
Beaufort County School District
2900 Mink Point Blvd.
Beaufort, South Carolina 29906

Mr. Grissom,

As you are aware, the ultimate goals for the School Resource Officer's Program are to provide a safe learning environment for everyone, to build a rapport with our youths and educate them on issues of law. The 2015-2016 School Year concluded with minimal serious incidents. Assault and Battery 3rd, Disturbing Schools and Petit Larceny are the majority of the incidents that the School Resource Officers are reporting. In the upcoming school year, the School Resource Officers will focus on continuing to educate our youths in an attempt to minimize the number of incidents occurring in these and other areas.

The School Resource Officers have continued to be active participants in school activities. Additionally, there have been numerous safety searches this school year with a majority of them being requested by Hilton Head Island High School. School administrators should be reminded that safety searches are available to them as a tool in continuing to make their schools a safe learning environment.

Attached is the Year-End report for the 2015-2016 School Year. This report documents the activities of the School Resource Officers during this time period. In this report you will find all incident report numbers obtained by the School Resource Officers throughout this school year as well as numerous graphs and charts documenting the various activities of the School Resource Officers.

If you have any questions regarding this document please do not hesitate to contact me at (843) 255-3503 or (843) 812-5257.

Sincerely,

Alfredo H. Givens, Captain
Special Services Branch

Beaufort County Sheriff's Office... "Dedicated, Professional Service."
