Public Records Requested (Description of Documents)	Please consider this a request under the South Carolina Freedom for Information Act.

or Information
Requested):

This request includes the following records:
An electronic record, such as an excel spreadsheet, that details the number of preschool children disciplined using in school and out of school suspensions, broken down by race and gender, at each school in the Beaufort County School District during the 2013-14, 2014-15, 2015-16, 2016-17 and 2017-18 school years.

Since this information is required by law by the U.S. Department of Education's Office of Civil Rights, I am under the impression that the district would already have this information compiled into a centralized database. I am not asking your agency to create a new record, but rather provide me with any such electronic record you keep that would be responsive to this request.

As a member of the news media seeking this information in the public interest, I respectfully request fees be waived, per statute. If charges are necessary for this request, please provide me with a detailed breakdown of the anticipated charges before fulfilling the request.

Thank you,
Maggie Angst
