Subject: RE: Freedom of Information Act (FOIA) Request Form

Ms. Angst-

The District is required to provide some of the information you have requested to Civil Rights Data Collection (CRDC) every other year. It is uploaded in a data file, and is not a form that makes sense. If you want the BCSD to create a report based on the data you have listed below, in accordance with S.C. Code Ann. 30-4-30(B), the BCSD estimates the time to respond to your request will be 15 hours, for an estimated cost of \$423.75, for each prior year. Costs may increase or decrease. A 25% deposit of the total reasonably anticipated cost is required before work will begin on your request. Please make all checks out to the Beaufort County School District and send to my attention.

Public Records Requested
(Description of Documents
or Information
Requested):

Please consider this a request under the South
Carolina Freedom for Information Act.

This request includes the following records:

An electronic record or records, such as an excel
spreadsheets, that detail the percentage of 1st year
teachers, percentage of 2nd year teachers and the
number of teacher who were absent 10 or more
days at each school in the Beaufort County School
District for the 2013-14, 2014-15, 2015-16, 2016-17
and 2017-18 school years.

Since this information is required by law by the U.S.
Department of Education's Office of Civil Rights, I
am under the impression that the district would
already have this information compiled into a
centralized database. I am not asking your agency
to create a new record, but rather provide me with
any such electronic record you keep that would be
responsive to this request.

As a member of the news media seeking this
information in the public interest, I respectfully
request fees be waved, per statue. If charges are
necessary for this request, please provide me with a
detailed breakdown of the anticipated charges
before fulfilling the request.

Thank you in advance,
Maggie Angst
