Please find attached a memorandum from Rebecca Davis, Interim Director, Office of Special Education Services, Roy Stehle, Director, Office of Federal and State Accountability and Daniel Ralyea, Director of Research and Data Analysis, regarding SC high school credential course codes clarification.

In August 2018, beginning with the ninth grade class, all South Carolina school districts will offer appropriate students with Individualized Education Programs (IEPs) the opportunity to earn a state-recognized high school credential. The memorandum is in response to questions generated by the March 30, 2018, memorandum titled “South Carolina High School Credential (SCHSC) Course Codes and 9GR.”

If you have any questions relevant to the South Carolina High School Credential, please email Rebecca C. Davis, Interim Director, Office of Special
