

Welcome to The Academy

11800 Lowell Blvd
Westminster, CO 80031

About The Academy

Pursuing Truth, Wisdom, Excellence

Mission Statement: The Academy's mission is to help all students grow into college ready, exemplary citizens by combining academic mastery with personal empowerment to drive lifelong success. We serve our full community by intentionally developing a school culture that embraces diversity, equity, and inclusion.

We are a public, PreK-12 school of choice located in Westminster, Colorado. We pair a rigorous, content-rich curriculum with character education to help our students achieve their full potential. Our school has over 1,800 students who have engaged and passionate parents. We have been a charter school for over 20 years. At The Academy all of our students are **known, valued, and challenged to be their best.**

Why The Academy?

Pursuing Truth, Wisdom, Excellence

Leader in Me is an important part of our school culture. Students and staff members practice the 7 habits. We strive to create leadership opportunities for all of our students through classroom and school wide initiatives. Students also focus on our 6 core character traits (respect, responsibility, integrity, self-control, kindness, courage).

The Wildcat community is a special community. We have the privilege of seeing our students and families grow through their PreK to Senior year! As we often say, "Once a Wildcat, always a Wildcat!"

CEO and CFO

Brent Reckman
CEO

Mark Wilson
CFO

Both Mr. Reckman and Mr. Wilson are former principals at The Academy. They are often seen lending a helping hand in drive line, greeting students and families in the morning, and supporting our students and staff!

3-5 Admin Team

Robin Edmonds
Administrative Assistant

Sarah Gramarossa
3-5 Principal

Katy Laun
3-5 Assistant Principal

We are very excited to get to know your family! We are honored to work with and support our Wildcat community. Please reach out with any questions.

Interventionists/Remote Teachers

Angela Reece
Interventionist

Leslie Forster
K-5 Remote Teacher

Laurissa Fling
Interventionist

The Foothills

Our intervention and enrichment programs take place in the Foothills. We also have a large selection of books that students can check out in this space.

The intervention program is for students who demonstrate a need for extra support. The interventionists work with these students in small groups and one on one using various programs and curriculum.

The enrichment program is offered after school and focuses on students who demonstrate above grade level intellectual abilities in the areas of math and literacy.

The Academy also provides occupational and physical therapy services.

Special Services

Cafeteria

Playground

Students have 2 recesses per day. One in the morning and one in the afternoon. Recesses are 15-20 minutes long.

Garden Area

This is a multi-use space for our fish tank clubs, agriculture program (The AgCademy), and other special projects throughout the year.

It is also a space that students and staff can utilize to have a calm and quiet space to work, take a break, or chat with friends. You will often see students working in small groups or meeting with teachers in this space!
