Once enabled, you will have the option to select a force test submit if student exits lockdown browser.

Accessing using Computer

Once the lockdown browser option has been activated, the student will use the same url to access the test.

https://stisd.schoolobjects.com//Aware/OnlineTesting?org=SOU-0E058453-6E4

When the student logs into Eduphoria, if the lockdown browser option has been selected, they will see the following page. The following screenshots are from logging in using a laptop.

1. Student logs in and selects test.
