The purpose of the Enrollment and Capacity Management Advisory Committee (ECMAC) is to increase community trust in long-range planning for enrollment and building use. The ECMAC will analyze information affecting enrollment, capacity, and building use, and generate observations and recommendations to be communicated to district administration.

In order to facilitate our work together, we agree to the following protocols:
- represent the work of the ECMAC when communicating with others;
- share concerns directly with the person involved if a communication or relationship breakdown occurs;
- listen for understanding and contribute individual perspectives and interests openly;
- fully engage in the ECMAC work; and
- begin and end on time unless we agree to revise.

Outcomes: As a result of our meeting tonight, ECMAC members will:
1. get to know each other and begin to create a sense of cohesion and trust as a group;
2. review the framework and purpose of the committee;
3. review previous year’s ECMAC work;
4. be informed about the current status of the Building a Better Future process;
5. review the elementary and secondary capacity assumptions and updated capacity calculations
