- Member Absent** Christopher Parks
- ENTER EXECUTIVE SESSION** A motion was made by K. Elliott, seconded by E. Mitchell, to enter executive session at 5:41 PM to discuss collective negotiations. The motion was carried. 5 yes 0 no
- REGULAR SESSION** A motion was made by K. Ballard, seconded by T. Turner, to return to regular session at 7:10 PM. The motion was carried. 6 yes 0 no
- APPROVE AGENDA** A motion was made by K. Ballard, seconded by E. Mitchell, to approve the agenda. The motion was carried. 6 yes 0 no
- SUPERINTENDENT'S UPDATE** Superintendent Terranova talked about attending the New York State Counsel of School Superintendent's (NYSCOSS) Conference over a week ago. One particular presentation he attended that he felt was extremely compelling was by Bill Daggett who is the Founder and Chairman of the International Center for Leadership in Education. This presentation has a direct relationship to the Strategic Planning process the District is undergoing. He is a member of the Learning 2025 Initiative where they talk about present reality and forward thinking when it comes to education. He then talked about Victor's Strategic Planning Counsel that will be meeting next week.
- PRESENTATIONS/ RECOGNITIONS**
Board of Education Recognition Month Board of Education President Tim DeLucia thanked his fellow colleagues for the hours of volunteer work and effort they put in. He said he appreciates them and learns something from them every time they meet. Superintendent Terranova then talked about Board of Education Appreciation Month. He thanked all of the Board Members for their leadership, dedication and humility. He said he greatly appreciates the transparency and honest conversations and discussions.
- Victor Indoor Percussion Ensemble (VIPE) 2020-2021 State Champions** Director of VIPE, Mark Gowman spoke about the 2020-2021 season. He said the season was done through video competition. Half of the group was in 7th and 8th grade and competed on a state and national level. They had an undefeated season and won their 8th State Championship in 16 years. Each student was presented with a certificate recognizing their accomplishments and a plaque was presented to the group.

**VICTOR CENTRAL SCHOOL
BOARD OF EDUCATION**

**PUBLIC
PARTICIPATION**

Anne Rine, a parent, expressed how she believes in the freedom of choice and personal responsibility. She does not want the District to mandate mask wearing, instead let it be a choice.

CAMPUS NEWS VCS Administrators summarized campus news and events. Board Member Chris Eckhardt spoke about his experiences on campus. He said he was able to tour the Primary School, Intermediate School and the High School with Dr. Terranova. It was good to see kids being kids in the classroom and during events outside of the classroom. He said it was a great combination of seeing the adults in their natural environment in school along with the kids. Board Member Elizabeth Mitchell said she also toured the Primary School and Intermediate School on a Friday afternoon with Dr. Terranova. It was great to see the kids in the classroom as well as enjoying the beautiful playground. This is truly a special place and to have everything on one campus is a beautiful experience.

CAPITAL CONSTRUCTION UPDATE George Spinaris from Campus Construction and Victor’s Director of Facilities, Chris Marshall, provided the Board with an update on the Capital Project. The approved referendum for the entire project is \$29,287,427. The phase 1 construction contracts are \$3,662,172. Phase 2 construction contracts are \$17,182,955. The incidental budget is \$5,281,602 and the remaining adjusted contingency budget is \$3,160,698. The approved change order total for phases 1 and 2 is \$204,540 so the remaining construction contingency is \$2,956,158. Mr. Spinaris then went over the additions and renovations currently taking place for phase 2. At the Early Childhood School the roofing work is complete. Interior framing is substantially complete and drywall finishing has commenced. Mechanical, engineering and plumbing contractors are continuing their work for the new addition. Exterior brick work has commenced and the exterior lower-level bathroom will be completed by the end of October. At the Primary School the kitchen equipment has been installed and the kitchen is fully operational. New storage rooms for food service are complete. The playground has been completed and turned over to the District. At the high school the interior concrete masonry unit block walls for the new addition have been completed. The roof has been installed and

coping and metal work is ongoing. Brickwork is complete at the addition. Mechanical, engineering and plumbing rough-ins are ongoing and will be completed by the end of October. At the new transportation building the stone sub-base has been installed for the offices, conference room and wash bays. Concrete masonry unit bearing walls are complete. Structural steel work on the west side of the building, offices and conference room has been completed. Underground work for all trades is on-going. Installation of the light pole bases has commenced. Mrs. Elliott asked if there have been any supply chain issues. Mr. Spinaris said yes; however they were proactive with turning over paperwork early so they were still able to get on track and are going well with the timeline. They are doing their best to stay ahead of it and have come up with alternative ideas in order to maintain the look but change the profile to get supplies.

SCHOOL YEAR UPDATE

Superintendent Terranova said the school year update will be specific to COVID. He said today as he looked at the numbers there were 7 student cases and 2 staff members with approximately 30 quarantines. The District started voluntary testing this week with parent approval and this is called Diagnostic Testing. If we now have students who are either exposed to a positive case in school or have symptoms that are not severe enough to be sent home, but would be sent home at the beginning of the year because of their relationship with their symptoms to COVID, we can now diagnostically test those students with a 15 minute shallow nasal test. If the test comes back negative the child can typically stay in school. Unique situations such as loss of taste and smell, which is directly associated with COVID, we would most likely be advised to send that child home. If they were exposed at home by siblings or parents the health department most likely will tell the parents to keep the child home. There have already been a handful of students that have been able to stay in school because of this type of testing. There is a link for parents to use on the website if they want to approve their child for testing. This same testing can be used with staff members if they are found to be in the same situation. Also included in that testing is if someone were exposed during a weekend experience on campus. The other type of test is called Pool or Screening Testing and this is paid for through grants so the District is not paying for those. The county has also provided additional support and we really appreciate that. This is again with parental approval and it would be periodic testing of their child randomly. It is a cheek swab that goes back into a kit and takes between 24 and 48 hours. It is pooled with a group of other individual tests. If all of the tests are negative in a group that is it. If there is a positive then they go back and do further testing within the group on the material that they have gathered to find the specific individual or individuals who tested positive. The child does not have to retest. Staff can also participate in this testing. If staff are unvaccinated the State has mandated those individuals

be tested on a weekly basis. Dr. Terranova said there are staff members, including himself, that are vaccinated and will participate in the weekly testing. That testing will start the end of October. He reminded everyone to go the District website where a lot of information can be found. Mrs. Ballard asked if there is an end date for the testing. Dr. Terranova said at this point there is not an end date. It is mandated by the Governor and the Health Department and they did not put out an end date. Mrs. Turner asked if the numbers stay down consistently will we have to continue it. Dr. Terranova said the testing is mandated by the NYS Department of Health. He said if numbers continue to go down and remain down he would advocate, as a school, to minimize the testing. Mrs. Ballard asked the percentage is of the student body who we have gotten permission to test. Dr. Terranova said he does not have the number but he can find out.

MEETING REPORTS

Standing Committee Updates

Mrs. Ballard spoke about the Technology Committee Meeting she and Mrs. Mitchell attended. It was held over Zoom with breakout sessions. They talked about proactive planning on future purchases and being linked to curriculum. For goals this year they are focusing on centralized printing, 1:1 technology 4th – 8th grade, and between 2022-2024 1:1 technology for 9th grade – 12th grade. Mrs. Mitchell said there is a lot of excitement for the District in the area of technology.

Monroe County School Boards Association Committee Reports

Mr. DeLucia reported out on the Labor Relations Committee Meeting that took place on September 22nd. He said the presentation was about being prepared to respond to a cyber-attach or a data breach in your school. He said they discussed three laws that protect data in school settings. The laws are Family Education Rights and Privacy Act (FERPA), Education Law 2-d and Part 121 of the Commissioners Regulations and the New York State Technology Law 208 as modified by the Shield Act. They also detailed legal obligations and protocols in the event of a breach.

Mr. DeLucia then reported on the Legislative Committee Meeting from October 6th. They discussed and identified labor relations issues important to the districts. The first is always funding. They also discussed testing requirements for unvaccinated staff or staff that don't wish to expose their vaccination status, type of testing, the reliability of each type of testing, the reimbursement for testing costs is ill-defined, the availability of materials and staff to deliver testing is uncertain, and quarantined students due to COVID infection or exposure and what their absenteeism means for the districts. They also talked about overall staff shortages.

Lastly, Mr. DeLucia reported on the Information Exchange Committee Meeting that took place on October 13th. This was a presentation on Child Abuse Awareness and Prevention. It talked about signs of sexual abuse, red flags of grooming and offender dynamics, what districts' prevention policy and procedure should consider, Erin's Law training and curriculum and response and service by Bivona Child Advocacy Center. Mr. DeLucia then talked about some statistics. He said he will be meeting with Dr. Terranova to provide him with some of the resources that Monroe County School Boards Association talked about that might be of interest to the District.

Mrs. Ballard reported on the Information Exchange Committee Meeting that she attended in September. It was on the Finger Lakes Youth Apprenticeship Program. It is to build a talent pipeline for advanced manufacturing. It also builds skill development and character development. It is for Juniors to job shadow and Seniors for an internship or co-op. She said they have signing days, similar to how the athletes do it. Mrs. Ballard said she did share out the information with Mrs. Banaszak and Mrs. Banaszak met with the counselors and the representatives from the organization. They already have some students that it would be a good program for. Mrs. Ballard said was nice to see the High School hook-up with them so quickly.
