FOR YOUR CHILD

We know that you care about your child! We Do, Too!
Every child is unique! Every child is different!
Differences are wonderful, but some can cause problems in school.
Louisiana's schools are ready to help all children learn!

WE SEARCH FOR CHILDREN WHO MAY:

- Have academic problems
- Not hear or see well
- Have trouble following directions
- Be slow starters
- Have discipline problems
- Have any other problem that makes school a difficult place

WE ALSO LOOK FOR BABIES/PRESCHOOLERS WHO MAY:

- Have chronic illnesses
- Not walk or talk on time
- Have other developmental problems

WE SEARCH FOR GIFTED/TALENTED STUDENTS WHO MAY:

- Be advanced academically
- Have a special talent in music, art, or theatre
- Need services in addition to what is given at school

If you feel your child has a problem that affects his/her ability to learn or an advanced level of performance and you would like to schedule a conference with your child's teacher, please complete this form and return it to your child's school. At this conference the teacher will discuss with you your concerns and the option to refer your child to the School Building Level Committee (SBLC). The SBLC is a team of teachers, administrators and other school personnel who find ways to help your child.
