Honors classes are offered in Language Arts, Math, World Geography, and Science. These courses are designed to be challenging, and curriculum is covered at a very rapid pace. Outside research, projects, readings, and homework are essential to a student’s success in these classes. Additional requirements may be assigned during the summer or holidays. Students must maintain passing grade averages to remain in these courses. *All Gifted/Talented identified students will be scheduled into GT Language Arts and Math.*

Any requested course changes from this submission for next year must be received in writing by the middle school by May 7th.

Parent Signature _____ Date _____

*All 6th Graders will take one elective from the following choices. Mark an “X” in the blank to indicate fine art choice.

_____ **65312 - Beginning Band (FA)** (Clarinet, French Horn, Flute, Trumpet, Sax, Tuba, Euphonium, Oboe, Bassoon, Percussion) Students need no previous musical experience and will try out for placement by the directors on one of several instruments including woodwinds, brass, and percussion.

_____ **65310 - Beginning Choir (FA)** (Boys Choir or Girls Choir) Introduces students to choral music and sight-reading in order to prepare them for membership in the Intermediate and Advanced Choirs. The purpose is to expose students to music and the knowledge of musical concepts.

_____ **65315 - Beginning Orchestra (FA)** (Violin, Viola, Cello, Bass) Students need no musical experience and will try out for placement by the director on one of the four instruments in Orchestra.

***Please number your choices of second elective from 1 to 4 with #1 being your first choice.** Please understand that if your first selection is full or cancelled, you will be placed in the next available course. Priority is given to those who return this fully completed form by the expected date.

***Second elective may be replaced with Literacy Lab, Math Lab, or Language Science depending on a student's instructional needs for further academic support.**

Please do not duplicate your fine arts choice from above.

_____ **65312 - Beginning Band (FA)** (Clarinet, French Horn, Flute, Trumpet, Sax, Tuba, Euphonium, Oboe, Bassoon, Percussion) Students need no previous musical experience and will try out for placement by the directors on one of several instruments including woodwinds, brass, and percussion.

_____ **65310 - Beginning Choir (FA)** (Boys Choir or Girls Choir) Introduces students to choral music and sight-reading in order to prepare them for membership in the Intermediate and Advanced Choirs. The purpose is to expose students to music and the knowledge of musical concepts.

_____ **65315 - Beginning Orchestra (FA)** (Violin, Viola, Cello, Bass) Students need no musical experience and will try out for placement by the director on one of the four instruments in Orchestra.

_____ **65340 - Introduction to Art (FA)** Introduces students to a variety of art mediums, themes, and artists. Students will gain an appreciation for art of different eras and cultures and practice basic art skills (painting, sketching, etc.).

_____ **65330 - Introduction to Theatre Arts (FA)** Designed as a survey course for sixth graders, students learn a broad overview of theatre concepts. Students explore and learn about acting and basic technical elements of the theatre and are provided opportunities to create individual and group theatrical selections.

_____ **88300 – LEADWORTHY™ The Course (EL)** This class teaches students to take responsibility, express themselves, and handle problems and decisions when they arise. The class enables individuals to build personal responsibility and leadership skills through group activities, role plays, speeches and projects.

_____ **68360 – Technology Apps (CT)** Students in this course will learn about technology systems, use digital tools, solve problems using creative thinking and become responsible digital citizens. Course studies will include coding in the programming language Python using TechSmart Curriculum, studying current and emerging technologies, and developing career readiness skills. This course will help students gain professional skills like communication, collaboration, decision making, research, and portfolio building.
