

Brockton Public Schools Laptop Loan Agreement

Students enrolled in the Brockton Public Schools (BPS) Laptop Loan Initiative are issued a Laptop and charger. The Laptop and charger are on loan and remain the property of the BPS.

STUDENT: I have read this Brockton Public Schools Laptop Loan Agreement. I understand and will abide by the Student Technology and Online Acceptable Use Guidelines. I further understand that with any violation of the guidelines outlined below, school disciplinary or legal action may be taken.

PARENT/GUARDIAN: As the parent or guardian of this student, I have read this Brockton Public Schools Laptop Loan Agreement. I understand that the laptop access is designed for educational purposes. I recognize it is impossible for BPS District to restrict access to all controversial materials and I will not hold BPS responsible for materials acquired on the internet. Further, I accept full responsibility for supervision when my child's use is not in a school setting. I hereby give permission to issue a device intended for my child and certify that the information contained on this form is correct.

BOTH STUDENT & PARENT/GUARDIAN: Damage/Repairs: If a laptop is damaged beyond repair and needs to be replaced, BPS will evaluate replacement options on a case by case basis. A student may be held responsible for some or all of the replacement costs and possible disciplinary action.

Theft/Vandalism/Fire: In cases of issues due to theft, vandalism, fire and other criminal acts; parent/guardians should report to the Office of the Superintendent. The Superintendent's Office will connect the family to a youth officer that can help file a police, or fire, report. This report **MUST** be filed by the parent/guardian in order for a replacement laptop to be requested.

Student Pledge for BPS Laptop Use:

1. I will take care of my laptop by protecting it from extreme hot and cold temperatures, keeping food and beverages away from it, and transporting it safely to and from school.
2. I agree to the terms and conditions of the Student Technology and Online Acceptable Use Guidelines.
3. I will be the primary user of my laptop and never loan it to other individuals.
4. I will never leave my laptop unattended in an unsecure location.
5. If my laptop is not working properly, I will bring it to the designated help desk at the school. I will not attempt any repairs on my own or through someone other than the BPS.
6. I will not place decorations (such as stickers, markers, etc.) on the BPS laptop.
7. I understand that my laptop is subject to inspection at any time without notice.
8. I understand that damage or loss caused by neglect or abuse will be reviewed on a case by case basis. As with the assignment of textbooks, I could be held partially or fully responsible for damages/loss. Optional insurance that covers damage and loss will be available.
