Rachel-

Take a look at this and let me know if it's what you're looking for. There is an invoicing module, but we don't use it.

I talked to Facilities. They use a system called FS Direct. They're going to play around with it and see if they can run a report. I'll send it to you and you can determine if it has the info you're looking for. I should have a sample one tomorrow (she thinks she can run it by organization).

I can imagine! I just wanted to ask you how I should request a narrower part of those invoices: I'm mostly interested in looking at the religious organizations that rent district facilities.
