The Island Packet/Beaufort Gazette

Dear Ms. Jones:

Attached is the school district's revised response to your Freedom of Information Act request for "any and all invoices between White & Story LLC and/or Andrea White and the school district from May 1, 2019 to present." As I mentioned during our recent telephone conversation, we discovered after our initial response that some of the material we provided might have contained incorrect information. The invoiced amounts in this e-mail's attachment have all been approved for payment.

Please don't hesitate to contact us if you should need additional information.
