This is all we can produce for the request. SAT changed in 2017 and did not produce a report. *“Thank you for your data request. The 2018 SAT Suite of Assessments report is new as 2017 was a transitional year and cohort reporting was provided via the K-12 reporting portal only. Currently, cohort level reporting function is unavailable while the reporting portal continues its redesign. I'm unsure when that will come back online but there are plans to have that functionality available to you as well as additional history in the future.”*
