Mr. Miller,

You will need to contact Riverview Charter School directly. They do their own financial statement audits.

Dear Ms. Staton,

I am a consultant working on a project sponsored by South Carolina's Education Oversight Committee.

I am writing to request comprehensive annual audited financial reports for Riverview Charter School. Provide the most recent five years, including the 2018-19 school year.

All charter schools in the state are receiving the same request.

Please email these files to me at lawrencejmiller@gmail.com by Friday, December 20, 2019.

I have provided my contact information below should you have any questions.

Sincerely,
Larry Miller, PhD
