Preparing Remarkable Warriors

"As Kingdom educators, it's our mission to educate, equip, and empower kingdom builders to be a positive influence on our culture and world. Liberty Christian strives to provide every student with a holistic, student-centric, college preparatory education in a supportive environment where they can learn and grow for the glory of God. Here, students aren't just students. They are mind, body, and soul, and we believe they are capable of marvelous achievements."

– **Dr. Blair McCullough**, President

LIBERTY
CHRISTIAN
SCHOOL

We encourage volunteering and giving to help transform education and experiences for our students and families. Financial gifts create a lifeline to building and sustaining our community, providing an important way for our families to make a difference at Liberty.

The Warrior Difference Annual Fund Goal **\$1.3M**

Like most private schools, tuition at Liberty Christian covers only 85 percent of the cost to educate. *Every gift makes a difference!*

Your support for general operational school expenditures is critical to our success. We have also identified multiple areas within the school for growth that will provide opportunities to advance the passions and interests of each student and family. We believe that everything is possible with your support. **Your giving makes the difference!**

Apart from the Warrior Difference Annual Fund, highlighted below are two additional areas where your gifts can directly impact important initiatives for our students and teachers.

Tuition Assistance Goal **\$1M**

Embracing the Value of Community

Promoting a diverse socioeconomic and cultural community provides partial needs-based tuition assistance to more than 100 students, giving them the opportunity to be a part of the Liberty community.

Teacher Sustainability Goal **\$279,000**

Enhancing the Faculty Compensation Model

Rewards teachers for advanced degrees and relevant certifications, and raises their salaries to compete with market standards. After generous donations to date, the 21-22 fiscal year goal is \$279,000 to continue moving toward the overall goal of \$1.6 million. This leads Liberty into a competitive market that allows our community to keep and hire the best Christian professional educators.
