Cedar Brook Elementary School

2021-2022 Campus Improvement Plan

Mission Statement

To instill in all students the desire to be lifelong learners and reach their individual potential.

Vision

CBE will empower students to be life long learners so that every student achieves academic success and personal independence.

Core Values

Every Child: We put students at the heart of everything we do.

Collective Greatness: We, as a community, leverage our individual strengths to reach challenging goals.

Collaborative Spirit: We believe in each other and find joy in our work.

Limitless Curiosity: We never stop learning and growing.

Moral Compass: We are guided by strong character, ethics and integrity.

Core Characteristics of a T-2-4 Ready Graduate

Academically Prepared: Every Child finds joy in learning, has a learner's mindset and is motivated and equipped with the knowledge, skills and competencies to succeed in life.

Ethical & Service-Minded: Every Child acts with integrity, is personally responsible for their actions and is a civically-engaged community member.

Empathetic & Self-Aware: Every Child appreciates differences, forms secure relationships and cares for their own and others' emotional, mental and physical health.

Persistent & Adaptable: Every Child is fueled by their own passions, interests and goals and perseveres with confidence and courage.

Resourceful Problem-Solver: Every Child thinks critically and creatively and applies knowledge to find and solve problems.

Communicator & Collaborator: Every Child skillfully conveys thoughts, ideas, knowledge and information and is a receptive and responsive listener.

Student Learning Strengths

Due to COVID 19 we do not have data to update from the 2019-2020 school year. We will retain our accountability rating from 2018-2019.

2018-2019 - CBE met standard overall.

Overall Accountability Rating - 83 / B

Student Achievement -71 / C

School Progress -85 / B

Closing the Gaps -78 / C

Distinction Designations: Comparative Academic Growth

Area of Strength: School Progress -85 / B

In addition, Closing the Gaps was 78/C in 2018-2019 as compared to 2017-2018 Closing the Gaps, which was a 56 rated Improvement Required

School Processes & Programs

School Processes & Programs Summary

CBE strives to hire the most qualified staff available. CBE will support and develop all staff members to provide the best possible instruction to all of our students.

New OWDL and TWDL teachers will receive extensive training from Dr. Mercuri to support the dual language instruction in their classrooms.

In addition, we will continue to implement Opportunity Culture on our campus. Two experienced teachers from within CBE were hired to support our primary and intermediate students and teachers. One MCL will work with the primary grades and the other will work with the intermediate grades. End of year data will be used to determine where each MCL will focus at the beginning of the school year.

As a part of Opportunity Culture, a Digital Lab Monitor position has been created for the new school year. Our Digital Lab Monitor will supervise all digital learning in our new computer lab and ensure a productive learning environment. Students will be able to personalize their own learning as they navigate through different platforms.

We have two interventionists that support students during our school-wide intervention time.

Another way to ensure staff quality, recruitment, and retention for CBE is, by functioning as a Professional Learning Community. Teachers will participate in collaborative planning meetings in all grade levels. CBE is committed to establish a culture of collaboration; thus achieving our collective purpose of learning for all. Administrators will coach teachers by providing formal and informal instructional feedback in order to build teacher capacity and overall grow instructional practices.

Also, all new teachers will receive additional support through a mentor/Buddy program who will ensure new members of our team feel supported, equipped and encouraged. At CBE every new teacher is paired up with a mentor teacher or a buddy teacher. If the new teacher is brand new to the profession they have a mentor teacher to help guide them through their first year and if they are just new to CBE or district they have a buddy teacher. Lead mentors help the mentor and buddy teachers be the best mentors they can be to these new teachers so that they feel prepared and successful for the school year. Monthly meetings with the mentors are held to address any questions or concerns the new teachers may have and make sure that all mentors are up to date with any school events coming up, due dates or any other information they need to relay to the new teachers.

CBE staff members have completed GT initial hours and required update.

All OWDL and TWDL teachers have and will continue to participate in ongoing staff development sessions with Dr. Mercuri in order to strengthen our Dual language program. These sessions have been differentiated to meet the needs of individual teachers. Staff strengths include flexibility, collaboration, responsiveness, and devotion to our students. Implementation and receptiveness to collaborative planning.
