Comprehensive Needs Assessment

Demographics

Demographics Summary

PSE enrollment is approximately 762 in K-5 grade. Our population continues to be a diverse combination of cultures from around the world predominately Hispanic.

In addition we have a Life Skills Unit and an APPLE Unit on campus this year.

PSE qualifies for 100% free and reduced lunch.

Attendance rate is 96%.

The majority of our neighborhood consists of multi-unit apartment complexes, a few new cluster homes at the end of the playground area, and an older residential area. Our community partnerships include MHS as our sister school, an after school YMCA program for students, an after school fine arts program provided by our CIS connection, a PSE summer camp, Boy Scouts and Girl Scouts programs, and many local restaurants and businesses who are part of our Good Neighbor Program.

PSE staff consists of predominately Spanish speakers from around the world, a smaller number of non-Spanish speakers from across the US and other countries.

Demographics Strengths

The 20-21 Panorama Survey continued to show strong positive results even in the midst of a pandemic.

School Belonging 97%

School Engagement 96%

School Rigorous Expectations 99%

School Safety 96%

School Teacher-Student Relationships 99%

Social Emotional Learning 96%

Social Awareness 95%

Self-Management 93%

Emotion Regulation 90%

Problem Statements Identifying Demographics Needs

Problem Statement 1: Closing the gap across all minority groups continues to be a challenge for our school. **Root Cause:** The majority of the students are reading 1-2 years below grade level when they enter K.

Problem Statement 2: Closing the gap across all minority groups continues to be a challenge for our school which is directly related to poverty and limited digital access. **Root Cause:** The majority of the students are reading 1-2 years below grade level when they enter K because of limited access in a digital environment.

Problem Statement 3: Achievement needs are for EL students to perform as well as other student groups is a constant issue of poverty which limits access to learning in a digital learning environment. **Root Cause:** EL students come to PSE into K with limited school experiences and limited or no access to digital devices.

Problem Statement 4: Equal access for virtual learning is not available. No access to internet, hot spots or devices. **Root Cause:** High poverty causes less electronic access for virtual learning for 77% (FRL rate) of PSE students.

Problem Statement 5: Shortage of certified bilingual teachers. In addition, we no longer have bilingual certified teachers on the English side of dual language programs. **Root Cause:** A shortage of Bilingual certified teachers in all grades.

Problem Statement 6: Second language learners struggle with the curriculum which does not always address their language challenges. **Root Cause:** Lack of Spanish materials for all content and all grade levels.

Problem Statement 7 (Prioritized): Accessibility to digital learning. **Root Cause:** High poverty causes limited resources such as internet, hot spots, and electronic devices for families to stay connected.

Problem Statement 8: Organizationally, virtual learning presented unprecedented challenges for a highly under-served population. **Root Cause:** COVID -19 pandemic

Problem Statement 9: One to one device deployment for K-5 is not available for students to have 24/7. **Root Cause:** No personal devices, no internet access and limited hot spots for families continues to widen the gap.

Student Learning

Student Learning Summary

PSE students have made significant growth over the past 3 years meeting standards.

All students in grades 2-5 have received intervention 30 minutes per day in reading and math which has been effective in student performance.

The addition of teacher assistants in the classrooms will provide support with small group instruction to reach more struggling students.

MAP data showed growth in all grade levels, K-5.

Panorama results showed growth in all categories exceeding the district and elementary campus levels.

Student Learning Strengths

PSE students continue to make progress academically.

Interventions for all students is provided in grades K-5.

Almost 200 students attended district virtual summer school and campus virtual tutorials.

Problem Statements Identifying Student Learning Needs

Problem Statement 1: Spanish speaking students struggle with acquisition of the English language. **Root Cause:** Non-English speaking parents/families at home.

School Processes & Programs

School Processes & Programs Summary

PSE will continue with community circles to began the day. We are adding an Explorer Greeting as teachers meet their students at the door with a handshake, fist or elbow bump, etc.,

Through this process our goal is to deepen student relationships by sharing experiences in our community circle time.

In addition, intervention time will be 30 minutes/day to provide a personalized learning experience for students in grades 3-5.

Students will participate in SEL activities provided by the counselor and staff.

Through the OC-TX initiative we will provide 3 MCLs (multi-classroom leaders).

These additional staff members provide support to the teams, implement small groups for intervention in reading and math.

MCLs provide coaching and modeling for new staff members, assist with assessment and training.

Guiding coalition meetings are held weekly to analyze student data, to provide training for content areas, assessments and PD.

Mentors are assigned to mentees, student teachers are assigned to master level teachers and teachers are given opportunities to personalize their teaching and learning through conferences, consultants, and collaboration with other professionals from other SBISD campuses.

Family and community events such as meet the teacher, parent conferences, principal monthly coffees, cultural and local celebrations, carnival, movie nights, WATCH Dogs, are provided by the PTA, CIS staff, and PSE staff.

PTA and PSE will continue to purchase electronic devices for student use in the classroom and for assessment purposes.

School Processes & Programs Strengths

Processes and programs are established and implemented with fidelity and integrity to impact performance.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Additional planning time is needed to implement and monitor processes and programs. **Root Cause:** The number of minutes provided for planning and PD during the school day needs is not adequate.

Perceptions

Perceptions Summary

PSE has a positive culture, climate and value system of core beliefs. Family engagement is high for events like Meet the Teacher, Open House, Parent Conferences, PTA events and with daily volunteers. Families are also involved in after school activities provided by the school, by CIS, and by the PTA.

Panorama results showed a positive increase in all areas and all areas were above the district results.

Perceptions Strengths

Maintaining a positive and effective culture and climate is strong.

Panorama Survey showed significant positive increases in culture, climate, school connectedness and beliefs.

A strong support system for teachers and students to be successful is initiated by the PTA, sister schools, and individual family donations.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: A more efficient and effective communication source is needed to connect with all families without access. **Root Cause:** Limited financial resources for families to provide internet services and electronic devices for their children.

Priority Problem Statements

Problem Statement 1: Accessibility to digital learning.

Root Cause 1: High poverty causes limited resources such as internet, hot spots, and electronic devices for families to stay connected.
