

# ONLINE LEARNING CHALLENGE OR FUN?

## VARVARA

"I like to do online learning because I don't need to wake up early. I also like to have long breaks to rest! I like to show things that we cannot bring to school. Also, I am happy that we can eat what we want and when we want. Finally, it is easy and fun to learn about many different things."

## YASMIN

"I don't like online learning because I cannot play and chat with my friends."

## YASYA

"I like online learning because we have time between online classes. Also, I like it because we don't have a lot of homework to do. I don't like online learning because I cannot talk with my friends and my internet connection is bad."
