

ONLINE LEARNING CHALLENGE OR FUN?

ALLISON

"I think that online learning is fun. You get to have your own desk and your own papers. On another hand, I don't like online learning because you can get disconnected. Online learning is hard and easy at the same time."

MAJA

"I think it is bad because I have to sit at my computer. Also, I cannot talk with my friends or write to them in chat. I like online learning a little bit because now I can do many things on my computer."

ALISA

"I like online learning because I can do what I want at my free time. Also, we don't have a lot of work to do. I don't like online learning because I cannot spend time with my friends. It doesn't matter if I take classes online or at school, I still LOVE my school."
