Kelly Ewing	9a. Next Meeting Agenda- remove mask mandate in k-12 schools	Masking our children in school is wrong. The data and science behind this drastic precaution is ill-supported. Parents and students should have a right to a Free and Appropriate Education (FAPE)- Section 504 states that: "No otherwise qualified individual with a disability in the United States, as defined in section 706(8) of this title, shall, solely by reason of her or his disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance..." [29 U.S.C. §794(a), 34 C.F.R. §104.4(a)]. I am interested in what the County is doing to give families the Least Restrictive Environment for their students.
