21

The San Diego County Office of Education (SDCOE) operates a variety of educational programs for students through its Juvenile Court and Community Schools (JCCS) and one special education school. **Per the directive of California Senate Bill 98, SDCOE's 2020-21 Learning Continuity and Attendance Plan (LCP)** memorialized planning that had already been underway for the year and outlined measures taken to address the academic and social and emotional needs of students during the COVID-19 pandemic. It is a one-year plan that serves as the bridge between SDCOE'S 2019-20 and 2021-22 Local Control and Accountability Plans. This summary highlights areas of focus and successes while serving students during the pandemic.
