

Live Oaks in Milford will not be running motorcycle safety classes during 2022. There is a huge amount of construction and the parking lot we use will be completely revamped in the construction process. We apologize for any inconvenience. We have added extra training dates to our other 3 sites in order to help pick up the Milford area students. Our other locations are:

Laurel Oaks – Wilmington off of Airborne Rd

Diamond Oaks – Dent off of I74 and Rybolt Rd

Scarlet Oaks – Sharonville off of Kemper Rd

As soon as the construction is finished, we will get classes going again.

Please contact Rick Smith smithr@greatoaks.com (513) 612-5847 if you need any assistance or have any questions.

Thank you for your understanding.
