

SETTING UP SCHOOLGY NOTIFICATIONS

Setting up and managing your email digest/notifications from a **DESKTOP**:

1. Drop down > settings > notifications

Select which notifications you want to receive

The screenshot shows the Schoology Account Settings page. The 'Notifications' tab is selected. The 'Academic' section has a sub-section for 'Email' with several notification categories and their status (On/Off). The 'Settings' link in the right-hand navigation menu is circled in red.

2. Drop down > select your child's name > settings > notifications

Turn Email Summary on, select day/time, save changes

The screenshot shows the Schoology Account Settings page for a parent. The 'Parent Email Digest' section is circled in red, showing 'Email Summary' set to 'On', 'Repeat' set to 'Daily', and 'Time' set to '05:00PM'. The 'Settings' link in the right-hand navigation menu is circled in red.
