

Together we are Tepeyac.

This year, Our Lady of Tepeyac High School will award \$682,800 in financial aid.

Since Fiscal Year 2020, needs based aid has gone up \$210,000 representing a 32% increase in just two years. Beyond financial aid, Tepeyac commits \$530,000 per year towards academic programs, extracurriculars, campus ministry and athletics.

Since March of 2020, 63% of Tepeyac families have lost their jobs or experienced a reduction in hours due to the COVID-19 pandemic. Families still continue to struggle to recoup these losses, making financial support essential to their ability to give their daughters a supportive, consistent, Catholic education.

Your gift to the young women of Our Lady of Tepeyac High School makes an impact. Please consider a gift today.
