

Riley Acceptable Use Policy

For Internet, Computers, Other School Devices, and network Resources

Riley Eagles are proud scholars who use technology to learn.

I _____ pledge to follow Riley and Salt Lake City School District's rules and policies when using technology at school. I will be a respectful user of digital media and technology. I will learn how to be a seeker of knowledge to better my community, my world, and myself.

Be safe!

I will follow the teacher's directions when using the internet, computer, and network.

I will only use school-approved websites.

I will not open emails from unknown senders and report to a responsible adult immediately if there is anything suspicious or content that makes me uncomfortable.

Be respectful!

I will use kind and appropriate language in e-mails, texts, blogs, and any other internet sites.

I will follow copyright rules and give full credit to other's work.

I will only use devices with my login.

I will not copy other's work and claim it for my own.

Be responsible!

I will use technology tools and accessories appropriately.

I will report any problems or broken equipment immediately to a responsible adult.

I will report misuse of technology to a responsible adult.

I understand that my use can be restricted or discontinued if I choose not to meet the expectations above. My parents may be notified if any restrictions are applied.
